

## Harden Murrumburrah Community Bank® Branch newsletter.

### Meet our new Manager.

Harden Murrumburrah **Community Bank®** Branch has a new Manager, Lisa Dean.

Lisa, who has worked for the Katherine **Community Bank®** Branch in the Northern Territory for the past 12 months, lived in Cootamundra until she was eight when her family moved to Sydney.

Lisa says she is happy to be back on familiar soil to continue her passion for the finance industry.

Lisa worked with other financial institutions before moving to Darwin where she managed the Bank's NT flagship branch.

**Community Bank®** company Chairman Hugh Pavitt said he was delighted the Bank had attracted a Manager of Lisa's calibre to take the branch forward.

"We acknowledge the job the staff has done in the absence of a Manager for some months, and look forward to working with Lisa to improve the Bank's already strong position," he said.

### Annual General Meeting.

Murrumburrah Financial Services Limited

To be held at 7.00pm on Thursday, 29 November 2018 at Harden Country Club, East Street, Harden.

### A day to remember!

Harden-Murrumburrah **Community Bank®** Branch is an important sponsor and supporter of the twin town's annual Kite Festival. This year the festival – one of NSW's most unusual and imaginative celebrations – drew about 8,000 locals and visitors and sparked what is being described as Harden's first traffic jam! We look forward to playing our part in the festival again next year. The crowds of mums, dads and children kept the Bank's Board members who manned the marquee very busy indeed making paper airplanes.

## From the Chairman.

Murrumbulla Financial Services Limited is about to launch into a new era with the appointment of Lisa Dean as our new Manager. Lisa joins us from the Katherine **Community Bank**<sup>®</sup> Branch where she has been Manager, to take up the position in Harden left vacant by Allyson Wales.

Community involvement is close to Lisa's heart and she intends to further develop the Bank's already healthy relationship with the communities of Harden and Grenfell.

Both the Board and staff are keen to introduce her to as many people as possible to help make her welcome.

Lisa is inheriting a business in good health with vast prospects for further development in Harden and Grenfell with the backing of the Regional Office support network as well as our own staff.

The Board is comprised of a group of people that seem to largely fly under the radar. I mention this to help people more fully understand their unflinching commitment to keeping our Bank going, supporting the staff, awarding sponsorships and helping out at events.

So far this year Board members have attended many local events such as the kite festival and the picnic races to name only two, conferences, meetings and events in Sydney and Wagga Wagga, and numerous local meetings with Bendigo and Adelaide Bank Regional Office staff, sponsorship applicants, tradesmen and shareholders, not to mention monthly committee and Board meetings. Board members have postponed holidays, moved other appointments and sacrificed a lot of family time to attend to these commitments without a murmur of complaint. It is wonderful and I am so grateful they see their commitment so clearly and respond so positively.

As a community we are fortunate to have such a talented group steering a business with more than \$100 million in funds under management, providing both employment and banking for the communities of Harden Murrumburrah and Grenfell. They do it for the love of it rather than for any financial reward.

We look forward to continuing to support our communities in the year ahead.

**Hugh Pavitt**  
Chairman

## Days in the life of Piggy.

Piggy is a familiar sight at local events as Harden Murrumburrah **Community Bank**<sup>®</sup> Branch supports many organisations in the district every year. As the photographs show, there are great days with happy locals such as at the Harden Men's Shed, who were proud to show off our sponsorship signage.

And having fun kicking the footy, handing out wrist bands and mixing it with the kids at the Harden Murrumburrah Junior Rugby League Gala Day. Harden Murrumburrah **Community Bank**<sup>®</sup> Branch sponsors two teams, and the purple jerseys were auctioned off to raise money for brain cancer research.

And then there are wet, muddy days... Sigh, poor Piggy.

## Sponsoring our community.

Thanks to the extensive annual sponsorship program Harden Murrumburrah **Community Bank**<sup>®</sup> Branch offers the Bendigo Bank name and the hard-working branch Directors (and, of course, Piggy) sometimes seem to be here, there and everywhere around the district. A new round of sponsorship for next year has just been finalised with many organisations, clubs and teams in Harden Murrumburrah and Grenfell benefitting. Photographs show action at the Australian Two Man Ambrose Championship of which Bendigo Bank is the major sponsor, our new marquee in use at the highly successful Harden Picnic Races and signage at the Harden Murrumburrah Arts Council Festival of Art at the Old Courthouse.
