Directors' report

For the year ended 30 June 2025

Your directors present this report on the company for the financial year ended 30 June 2025

Directors

The names of the directors in office at any time during or since the end of the year are:

Name of Director	Period as Director	Qualifications, experienc	ce & special responsibilities
Geoffrey Michael Egan	26 May 2000	Accountant	Chairman
Jennifer Marie Butler	26 May 2000	Semi-Retired	
Vanessa Mitrevska	5 December 2012	Employed in Marketing	
Ryan Bradbury	27 November 2017	Accountant	Secretary
David Banks	20 July 2020	Manager	
Jim Crawford	27 October 2020	Retired Banker	
Shane Douglas	24 January 2022	Manager	

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

Principal activities

The principal activities of the Company during the course of the financial year were in providing Community Bank® services under management rights to operate a franchised branch of Bendigo and Adelaide Bank Limited.

Operating results

Operations have continued to perform in line with expectations. The profit/(loss) of the Company for the financial year after provision for income tax was \$280,451 (2024: \$369,263).

Year ended 30 June 2025

68,866
00,000
68,866

Significant changes in the state of affairs

In the opinion of the directors there were no significant changes in the state of affairs of the company that occurred during the financial year under review not otherwise disclosed in this report.

Significant events after the balance date

There are no matters or circumstances that have arisen since the end of the financial year that have significantly affected or may significantly affect the operations of the Company, the results of those operations or the state of affairs of the Company, in future years.

Likely developments

The Company will continue its policy of providing banking services to the community.

Directors' benefits

No director has received or has become entitled to receive, during or since the financial year, a benefit because of a contract made by the company or related body corporate with a director, a firm which a director is a member or an entity in which a director has a substantial financial interest other than that mentioned in Note 17 & 21.

Directors' report (continued)

Indemnification and insurance of Directors and Officers

The Company has indemnified all Directors and the Manager in respect of liabilities to other persons (other than the Company or related body corporate) that may arise from their position as Directors or Managers of the Company except where the liability arises out of conduct involving the lack of good faith.

Disclosure of the nature of the liability and the amount of the premium is prohibited by the confidentiality clause of the contract of insurance. The Company has not provided any insurance for an Auditor of the Company or a related body corporate.

Directors meetings

The number of Directors meetings attended by each of the Directors of the Company during the year were:

Name of director	Number attended	Other Committee	
Geoffrey Michael Egan	10 of 10	1 of 1	
Jennifer Marie Butler	10 of 10	1 of 1	
Vanessa Mitrevska	7 of 10	1 of 1	
Ryan Bradbury	8 of 10	1 of 1	
David Banks	10 of 10	1 of 1	
Jim Crawford	7 of 10	1 of 1	
Shane Douglas	9 of 10	1 of 1	

Proceedings on Behalf of Company

No person has applied for leave of Court to bring proceedings on behalf of the company or intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings. The company was not a party to any such proceedings during the year.

The directors received the following declaration from the auditor of the Company:

Auditors Independence Declaration

In relation to our audit of the financial report of Oak Flats Financial Services Ltd for the financial year ended 30 June 2025, to the best of my knowledge and belief, there have been no contraventions of the auditor independence requirements of the Corporations Act 2001 or any applicable code of professional conduct.

Signed in accordance with a resolution of the Board of Directors:

Signed at Oak Flats on 17th October 2025

Geoff Egan

Chairman

Ryan Bradbury

Secretary

Auditor's independence declaration

Auditor's Independence Declaration under section 307C of the *Corporations Act 2001* to the Directors of Oak Flats Finances Ltd

I declare that, to the best of my knowledge and belief, during the year ended 30 June 2025 there have been no contraventions of:

- (i) the auditor independence requirements as set out in the *Corporations*Act 2001 in relation to the review; and
- (ii) any applicable code of professional conduct in relation to the review.

ODonnell Hennessy Taylor

Dated: 20 / 11 /2025

Notes to the financial statements

For year ended 30 June 2025

Note 1: Statement of Significant Accounting Policies

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, Urgent Issues Group Consensus Views and other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001.

The financial report covers Oak Flats Financial Services Ltd as an individual entity. Oak Flats Financial Services Ltd is a company limited by shares, incorporated and domiciled in Australia.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated

Statement of compliance

The financial report complies with Australian Accounting Standards, which include Australian equivalents to International Financial Reporting Standards ('AIFRS'). Compliance with AIFRS ensures that the financial report, comprising the financial statements and notes thereto, complies with International Financial Reporting Standards ('IFRS'). Australian Accounting Standards that have been recently issued or amended, but are not yet effective, have not been adopted in the preparation of this financial report

Income tax

Income tax has been brought to account using the liability method of tax-effect accounting whereby the income tax expense is based on the profit from ordinary activities adjusted for permanent differences.

Timing differences, which arise due to the different accounting periods in which items of revenue and expense are included in the determination of accounting profit and taxable income, are brought to account as either provision for deferred income tax or an asset described as future income tax benefit at the rate of income tax applicable to the period in which the benefit will be received or the liability will become payable.

Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

a) Plant and equipment

The carrying amount of plant and equipment is reviewed annually to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining the recoverable amounts.

The cost of fixed assets constructed within Oak Flats Financial Services Ltd includes the cost of materials, direct labour, borrowing costs and an appropriate proportion of fixed and variable overheads.

b) Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a straight line basis over their useful lives to Oak Flats Financial Services Ltd commencing from the time the asset is held ready for use. Properties held for investment purposes are not subject to a depreciation charge. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable asset are:

Class of Asset Depreciation Rate %
Leasehold improvements 10 %
Plant and equipment 10 - 30 %
Other plant and equipment 10 - 15 %

Financial statements (continued)

Leases

Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Investments

Non-current investments are measured on the cost basis. The carrying amount of non-current investments is reviewed annually to ensure it is not in excess of the recoverable amount of these investments. The recoverable amount is assessed from the quoted market value for listed investments or the underlying net assets for other non-listed investments.

The expected net cash flows from investments have not been discounted to their present value in determining the recoverable amounts.

Intangibles

Establishment costs have been amortised over 15 years on a straight line rate. Franchise fees are amortised over the period of the franchise on a straight line amount of 20% per year.

Employee entitlements

Provision is made for the liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash out flows to be made for those entitlements.

Contributions are made by Oak Flats Financial Services Ltd to an employee superannuation fund and are charged as expenses when incurred.

Cash

For the purpose of the statement of cash flows, cash includes cash on hand and in all call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months, net of bank overdrafts.

Comparative Figures

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Revenue

Interest revenue is recognised on a proportional basis taking in to account the interest rates applicable to the financial assets.

Dividend revenue is recognised when the right to receive a dividend has been established.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

Subsequent Event

There are no matters or circumstances that have arisen since the end of the financial year that have significantly affected or may significantly affect the operations of the Company, the results of those operations or the state of affairs of the Company, in future years.

Note 21: Related Parties

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

Directors

Transactions with directors:

Professional fees for share registry, dividend payment processing, office administration, taxation and accounting were paid to W Advisory Pty Ltd, of which Geoffrey Egan is an employee

The package is available to all directors who can elect to avail themselves of the benefits based on their personal banking with the Oak Flats and Shellharbour branches. There is no requirement to own BEN shares and there is no qualification to qualify to utilize the benefits. The package mirrors the benefits currently available to Bendigo and Adelaide Bank shareholders. The Directors have estimated the total benefits received from the Directors' Privilege Package to be minimal for the year ended 30 June 2025.

(b) Dividends proposed and not recognised as a liability Franked dividends - 15 cents per share(2024: 15 cents per share)	68,866	68,866
(c) Franking credit balanceThe amount of franking credits available for the subsequent financial year are:Franking account balance as at the end of the financial year at 25%	510,475	373,837
 Franking debits that will arise from the Payment (refund) of income tax payable as at the end of the financial year Franking debits that will arise from the payment of dividends as at the end of the financial year 	81,577 23,005	100,773 23,005
The tax rate at which dividends have been franked is 25% (2024: 25%). Dividends proposed will be franked at a rate of 25% (2024: 25%).		

	2025 \$	2024 \$
Note 23: Earnings per share		
Basic earnings per share amounts are calculated by dividing profit / (loss) after income tax by the weighted average number of ordinary shares outstanding during the year. The following reflects the income and share data used in the basic and diluted earnings per share computations:	.61	.80
Profit/(loss) after income tax expense	280,451	369,263
Weighted average number of ordinary shares for basic and diluted earnings per share	459,108	459,108

Note 24: Financial Instruments

Net Fair Values

The net fair values of financial assets and liabilities approximate the carrying values as disclosed in the Balance Sheet. The company does not have any unrecognised financial instruments at year end.

There are no material credit risk exposures to any single debtor under financial instruments entered into by the economic entity.

Note 25: Financial risk management

The Company has exposure to credit risk, liquidity risk and market risk from their use of financial instruments.

This note presents information about the Company's exposure to each of the above risks, their objectives, policies and processes for measuring and managing risk, and the management of capital.

The Board of Directors has overall responsibility for the establishment and oversight of the risk management framework. The Board has established an Audit committee which reports regularly to the Board. The Audit committee is assisted in the area of risk management by an internal audit function.

(a) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. For the Company it arises from receivables and cash assets.

The maximum exposure to credit risk at reporting date to recognised financial assets is the carrying amount of those assets as disclosed in the Statement of financial position and notes to the financial statements. The

Company's maximum exposure to credit risk at reporting date was:

	2025 \$	2024 \$
25. Financial risk management (continued)		
	Carrying amount	Carrying amount
	2025	2024
	\$	\$
Cash assets	1,371,357	1,269,380
Receivables	192,382	216,334
	1,563,740	1,485,714

The Company's exposure to credit risk is limited to Australia by geographic area. The entire balance of receivables is due from Bendigo and Adelaide Bank Ltd.

None of the assets of the Company are past due (2024: nil past due) and based on historic default rates, the Company believes that no impairment allowance is necessary in respect of assets not past due.

The Company limits its exposure to credit risk by only investing in liquid securities with Bendigo and Adelaide Bank Ltd.

(b) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company ensures it will have enough liquidity to meet its liabilities when due under both normal and stressed conditions. Liquidity management is carried out within the guidelines set by the Board.

Typically, the Company maintains sufficient cash on hand to meet expected operational expenses, including the servicing of financial obligations. This excludes the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters.

The following are the estimated contractual maturities of financial liabilities, including estimated interest payments.

30 June 2025	Carrying amount \$	Contractual cash flows	1 year or less \$	over 1 to 5 years \$		over 1 to 5 years \$
Payables	116,653		116,653		-	
Loans and borrowings	-	-			-	
	116,653		116,653		-	

2025	2024
\$	\$

25. Financial risk management (continued)

(c) Market risk

Market risk is the risk that changes in market prices, such as interest rates, will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters.

Interest rate risk

Interest rate risk is that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company reviews the exposure to interest rate risk as part of the regular Board meetings.

Sensitivity analysis

At the reporting date the interest rate profile of the Company's interest bearing financial instruments was:

Fixed rate instruments	<u>Carrying amount</u> 2025 \$	Carrying amount 2024 \$	
Financial assets Financial liabilities		0	
Variable rate instruments	-	0	
Financial assets Financial liabilities	1,371,357 116,653	1,269,380 40,165	
	1,254,704	1,229,215	

Fair value sensitivity analysis for fixed rate instruments

The Company does not account for any fixed interest rate financial assets or liabilities at fair value through profit or loss. Therefore a change in interest rates at the reporting date would not affect profit or loss.

Cash flow sensitivity analysis for variable rate instruments

A change of 100 basis points in interest rates at the reporting date would have minimal impact on profit or retained earnings. For the analysis performed on the same basis as at 30 June 2018 there was also minimal impact. As at both dates this assumes all other variables remain constant.

(d) Net fair values

The net fair values of financial assets and liabilities approximate the carrying values as disclosed in the Statement of financial position. The Company does not have any unrecognised financial instruments at year end.

2025 2024 \$ \$

25. Financial risk management (continued)

(e) Capital management

The Board's policy is to maintain a strong capital base so as to sustain future development of the Company. The Board of Directors monitor the return on capital and the level of dividends to shareholders. Capital is represented by total equity as recorded in the Statement of financial position.

In accordance with the franchise agreement, in any 12 month period, the funds distributed to shareholders shall not exceed the Distribution Limit.

- 1) 20% of the profit or funds of the Franchisee otherwise available for distribution to shareholders in that 12 month period; and subject to the availability of distributable profits, the Relevant Rate of Return multiplied by the average level of share capital of the Franchisee over that 12 month period; and
- the Relevant Rate of Return is equal to the weighted average interest rate on 90 day bank bills over that 12 month period plus 5%.

The Board is managing the growth of the business in line with this requirement. There are no other externally imposed capital requirements, although the nature of the Company is such that amounts will be paid in the form of charitable donations and sponsorship.

There were no changes in the Company's approach to capital management during the year.

Directors' declaration

For the year ended 30 June 2025

In accordance with a resolution of the Directors of OAK FLATS FINANCIAL SERVICES LTD we state that:

- 1. In the opinion of the Directors
 - a. The Statement of Financial Performance of the company is drawn up so as to give a true and fair view of the loss of the company for the financial year ended 30th June 2025;
 - **b** .The Statement of Financial Position is drawn up so as to give a true and Fair view of the state of affairs of the company as at 30th June 2025 and
 - c. At the date of this statement there are reasonable grounds to believe that the company will be able to pay it debts as and when they fall due.
- 2. The Company in respect of the financial year to which those accounts relate:
 - a. Has kept such accounting records as correctly record and explain the transactions and financial position of the company;
 - **b** .Has kept its accounting records in such a manner as would enable true and fair accounts of the company to be prepared from time to time; and
 - c. Has kept its accounting records in such manner as would enable the accounts of the company to be conveniently and properly audited in accordance with the Corporations Law.
- 3. The accounts to which this statement relates have been properly prepared by a competent person.

On behalf of the Board

Geoff Egan

Independent audit report

OAK FLATS FINANCIAL SERVICES LIMITED ACN 093 057 768

Independent Audit Report to the Members of Oak Flats Financial Services Limited

Report on the Financial Report

Opinion

We have audited the financial report of Oak Flats Financial Services Limited (the company), which comprises the statement of financial position as at 30 June 2025, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

- a. the accompanying financial report of Oak Flats Financial Services Limited is in accordance with the *Corporations Act* 2001, including:
 - giving a true and fair view of the company's financial position as at 30 June 2025 and of its financial performance for the year then ended; and
 - complying with the International Accounting Standards, Australian Accounting Standards and the Corporations Act 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial report for the year ended 30 June 2025. These matters were addressed in the context of our audit of the financial report as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the company's annual report for the year ended 30 June 2025, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error. In preparing the financial report, the directors are responsible for assessing the ability of the company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Independent audit report (continued)

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and
 perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide
 a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one
 resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of
 internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate
 in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal
 control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the
 financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial report of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
