

A performance sport that has it all!

Did you know that Calisthenics is a uniquely Australian artistic sport that caters for pupils of all ages?

Its "Something-for-Everyone" Campaign is based on a team of participants learning routines choreographed to music, incorporating elements of dance, ballet, gymnastics, singing, acting, marching, apparatus technique and performance skills.

The Aurora Calisthenics College based in Oakleigh promotes healthy bodies and healthy minds and encourages the development of self-discipline, team spirit, commitment, responsibility and lasting friendships.

These core values made a committed partnership with the Ormond-McKinnon **Community Bank**[®] Branch and an easy one to nurture. Just recently at a Trivia and Games Fund raising night, Jennifer and Gayle from the branch, and Board Director Andrew, presented Aurora Calisthenics College with another \$1,500 cheque.

Our ongoing sponsorship that commenced in 2012 has provided over \$6,000 to the College to support the purchase of exquisite costumes, as well as assistance that helps with staging the excitement of stage performances and competitions.

"It's through the College's dedicated family network and our wider community that bank with us that makes it possible for us to provide clubs like Aurora Calisthenics College with ongoing sustainable sponsorship," said Annalise Hewitt, the Ormond-McKinnon **Community Bank**[®] Branch Manager.

Testimonial.

"We have been banking with the Ormond-McKinnon **Community Bank**[®] Branch since it opened in June 2010. In this time, we have opened savings accounts, commenced two housing loans, transferred our business banking, had insurance policies, and opened term deposits. On each occasion, the Manager or other staff have undertaken the time consuming task of completing the application forms, saving both of us valuable hours. The application periods were typically completed in a timely manner, but if delays occurred we were kept well informed of the reasons why.

We have no doubt that the current staff team led by Annalise Hewitt as Branch Manager is the best group that the branch has had – and we should know, we have been customers since Day 1," said Richard.

Community Garden for Katandra.

Together with Rotary Club of Glen Eira, we were able to develop a community garden for Katandra School. This community garden will also be opened up to those members of the local community who could use a redeveloped garden as a community space.

The students are enjoying the planting and looking after the plants and vegetables.
