

The Cotton On Unite Project fridge is in our branch!

The Unite Project's mission is to change the face of youth homelessness in Australia. Through the sale of Unite water bottles, the initiative will dedicate the proceeds received to housing and supporting youth at risk of homeless in local communities. To date, the Unite Project has raised over \$400,000 to assist over 850 young people across Australia.

Sixty branches of Bendigo Bank have come together to support this cause by hosting a fridge in their branch. Grab a bottle of water and help end youth homelessness!

7th Birthday celebration.

In June we celebrated our 7th birthday all thanks to you and your trust in the Ormond-McKinnon **Community Bank**® Branch.

In just seven years we have contributed over \$140,000 to the community with your help!

As we cut the cake, we wished to build even closer relationships with you to achieve bigger and better goals! Let's make great things happen together!

Big thanks to Phil Jones, our State Manager, for all the support during this year.

Testimonial.

Why did you decide to change banks? I moved all my banking to Ormond-McKinnon **Community Bank**® Branch last year when I was very dissatisfied with the service I was receiving from my bank. Moving banks is one of those things you put off as it's not always easy.

Tell us about your experience: Annalise and her team made things very simple for me to switch banks, and were extremely helpful throughout the whole process.

I transferred everything over from my business banking, home loan, personal accounts and insurances. They were able to save me money on all aspects of my banking from fees to a better interest rate, cheaper insurance that actually was better cover than what I had in place.

Would you recommend Ormond-McKinnon Community Bank® Branch to your friends and family? I have since referred friends and family to Annalise and would highly recommend to review your banking with her.

Meet our new Director.

Meet the new Director of Ormond-McKinnon Community Enterprises Limited (OMCEL), Kannan Nair.

Tell us a little bit about yourself: Whether you think you can or think you can't, you are right either way. I have always believed I can make a difference, to make the world a better place, if not by doing great things, then at least by doing small things in a great way.

Originating from India, I was working in Singapore when I travelled to Australia and fell in love with its culture of openness, hospitality and generosity. I've now lived in Australia for nearly 17 years, am married to an Australian and father of three.

I have diverse experience from retail to automobiles in Strategy and Commercial for ASX 100 companies and I look forward to bringing that experience to OMCEL. I am also a CPA and have an MBA from AGSM.

What is your reason for joining the Board of Ormond McKinnon Community Bank®

Branch? I believe the Bendigo Bank **Community Bank**® model of sharing the profits within the community is an innovative and great business model. It is an opportunity to be involved and contribute to the community to deliver its needs.

And something else a little more personal like what football team do you go for, or something along those lines? I love learning and trying out new things; this stretches from sailing to polo. I'm also a Richmond supporter, but if I'm honest I'm just mad about cricket.

Out in the community.
