Meet the team.

Simon Thomson – Customer Relationship Manager.

I have recently moved back from Europe where I worked and lived with my family for the past 10 years.

I am born and bred in Melbourne, I am married and have three children. I have previously been involved with a few sporting clubs in Ormond/McKinnon.

Having worked in the Financial Services Sector for the past 15 years as a Financial Planner I have a real passion for building strong relationships with customers as well as the local community.

Come in, I would love to have a chat and get to know you!

In the community.

Fundraising in the community.

Community defibrillator.

Just a few months ago Ormond lost a valued member of our community. Eugene Berkovic was going about his daily business of working out at Ormond Health & Fitness when he was struck with a major heart attack. Unfortunately, Eugene passed on the rowing machine on the morning of Sunday 11 June. Although staff and members did all they could to revive Eugene, he was too far gone.

During the month of November, with the help and support of the local community, we have raised almost \$3,000 to provide the Ormond shopping strip with a Defib machine with the hopes of not losing another valued member. We'd like to thank everyone who contributed to this cause! Our hearts are full!

Razor Ride 2017 – Griefline Community & Family Foundation.

This Christmas, with the support of Giant Ormond, we are raising funds toward Razor Ride 2017 for the Griefline Community & Family Foundation. The Chamberlain Foundation supports three fundamental areas in Australian society: Service Men and Women; Education and Mental Health.

Salvation army Christmas Appeal and Lion's Club Christmas Cakes.

In the spirit of Christmas, we are now collecting packaged or tinned foods and clothing for boys and girls to donate to the Salvation Army. Pop into the branch to ask us how you can make some of the less fortunate's Christmas a little brighter!

You can grab your family and friends a Lion's Christmas cake in branch to help raise funds towards a wide range of charities.
