

The Adventure bus is up and running!

The Adventure bus has made a real difference to our scouting group. It allows us to invest in our kids by making sure that we can get to camps/adventures and not have to rely on parents to drive. By doing this, we have noticed an increase in participation from the members. This is very important as it means that kids

are getting the full benefits of camping with their 'mates' and forging stronger bonds.

It also allows us to advertise that there is a scout group to get more members involved.

When you see the scout bus roll up, you know it is the adventure bus!

Thank you so much to Ormond-McKinnon **Community Bank**® Branch for sponsoring the bus. By doing this, more kids can participate and can get more out of camping and scouting.

Testimonial.

What was your reason for contacting Ormond-McKinnon Community Bank® Branch? I go into the Ormond-McKinnon Community Bank®

Branch twice a week for the St Paul's FNC's banking and I am always impressed by their professional and friendly service. So I got them to quote me for my Home and Contents Insurance and Health Cover.

Tell us about your experience: The service was excellent, they made the connection with the right contacts of the branch and the quotes proceeded efficiently without any problems. I ended up taking up both offers since it saved me 15% on my Home and Contents Insurance and 10% on my Health Cover, in both cases I also got better terms. I am very pleased with this outcome!

Would you recommend anyone else to speak to Annalise from Ormond-McKinnon Community Bank® Branch and why? Yes, I absolutely would. They saved me money, the service is great and I like that they support and sponsor our St Paul's FNC as well as the wider community through grants and sponsorships.

Tell us a little bit about yourself: I grew up in South Africa on a farm, made my way to Melbourne via Belgium, Scotland and Brisbane. This makes my accent very interesting! I've had quite a diverse career working across a number of industries in different functions. The majority of my leadership experience

I've gained has been in banking and I hope to bring some of that experience to this role as well.

What personal philosophy do you bring to your work? To never stop learning and to find inspiration in everything I experience and every person I connect with.

Tell us something that people wouldn't know about you: I had a 1977 orange vintage Vespa, with a white stripe called Nemo.

What is your reason for joining the Board of Ormond-McKinnon Community Bank® company? I really wanted to become part of the community and also contribute to making a difference in our community through the work the Board and branch do.
