

## Caulfield South Community House's community garden!

Caulfield South Community House provides quality childcare and also offers adult community courses, holding special events for social outreach and community needs.

They have a fantastic community garden which we recently contributed funds towards.

The garden grows a vast arrange of organic fruit, vegetable and herbs.

The garden is open to all members of the community and are always looking for volunteers who can assist with garden design, planning, planting, watering, pruning, organic composting and general garden maintenance.

In July we also held a lollie guessing competition in branch which allowed them to buy organic fertiliser for the garden.

Pop by and visit the garden, the chickens (who love gifts of green leaves) and meet the team of dedicated green thumb members.

## Fundraising in the community.

### RSPCA and September

As a not-for-profit organisation, the RSPCA relies on community support to care for 'all creatures great and small'. This Cupcake Day (21 August) our branch staff rolled up their sleeves and baked cupcakes to raise funds for our furry friends! To date we have raised over \$100.

The staff of Ormond-McKinnon **Community Bank®** Branch are also participating in 'September' this month to raise awareness and funds for cerebral palsy.

Did you know cerebral palsy is the most common physical disability in childhood? Cerebral palsy affects people in different ways and can affect body movement, muscle control, muscle coordination, muscle tone, relax, posture and balance.

- crisis accommodation
- jails
