Community Bank · Paradise Point & Pimpama-Ormeau

More than a renovation - We're here to stay.

Community Bank Pimpama-Ormeau is soon to undergo an exciting renovation, with plans to construct two new offices within the branch.

The new offices will create greater privacy and flexibility for customer conversations, particularly around lending and more complex banking needs, while allowing our team to continue delivering the personalised, face-to-face service our customers value.

This project represents something we're incredibly proud of - a strong local business continuing to invest in its future.

Discover the Community Bank difference.

We've been making a positive impact across the Gold Coast for almost 25 years - and one of our favourite things to do is share the Community Bank story with local organisations.

Many people are surprised to learn that when they bank with us, profits are reinvested back into local initiatives, projects and community groups right here on the Gold Coast (over **\$4.7 million** to date!) And the model continues to grow. Over the past 12 months, our two branches have grown by over 13.5% - meaning more customers, stronger local banking services and even greater capacity to invest back into our community.

We'd love the opportunity to meet with your team and explain how the Community Bank model works. To arrange a presentation, get in touch with our Senior Branch Manager - Ash.Wijey@bendigoadelaide.com.au

 Total Community Contributions Tally
\$4.7 Million

Here's what we've been up to.

Titans Leagueability

Celebrating the incredible work this club does to create opportunities for locals of all abilities to play, volunteer and connect through rugby.

Foundation Giving Day

Supporting the Gold Coast Foundation's biggest Giving Day yet - raising over \$250,000 to support children, adults and families in need.

Filipino Basketball Festival

Bringing together over 500 attendees from across Australia to celebrate culture, connection and community - for the fourth year running.

BNCC Night Owls

Connecting local business people in a relaxed setting to network, learn from guest speakers and build valuable professional connections.

Vesak and Poson Celebrations

Joining the Gold Coast Sri Lankan Buddhist Association's Vesak and Poson Celebration in June to honour two of the most significant events in the Buddhist calendar.

Roller's Season Launch

Supporting the Gold Coast Rollers - our local Women's National Wheelchair Basketball team - dominate during their WNWBL 2026 season.

All of the above has been made possible by our customers.

We're investing in the next generation.

'The Summer Scholarship Program provided me with an invaluable opportunity to gain hands-on experience in the lab.'

Meet Jenny

Jenny - a Gold Coast born-and-bred local - is a first-year Griffith University Doctor of Medicine. Earlier this year, Jenny was selected to take part in Griffith University's Institute for Biomedicine & Glycomics Summer Scholarship Program - an elective program that we at Community Bank Paradise Point & Pimpama-Ormeau are proud to assist funding.

The experience gave her a great insight into the research side of medicine - helping her see how scientific discoveries are translated into treatments, therapies and better health outcomes for patients.

We look forward to following this local legend's career and have no doubt she's going to make a real impact across the Gold Coast!

Precinct P

Education is about more than classrooms - it's about creating opportunities, building confidence and helping young people reach their full potential. That's why we're proud to support the Precinct P Alliance, a partnership between five northern Gold Coast schools working together to strengthen educational outcomes for local students.

By encouraging collaboration between schools, the alliance helps create stronger pathways for students as they progress through their education journey. From leadership and mentoring opportunities to industry engagement, career exploration and STEM initiatives, the alliance is helping young people develop the skills they need to thrive.

We're proud to support this partnership and the positive impact it continues to have on students, schools and the wider community.

Recognising the people that make it all possible

Ash, Jodie & Jazz with Corina (P & C President) & Sara (Acting Principal)

Teachers, support staff and volunteers do so much behind the scenes to help local students thrive - and we're proud to support initiatives that recognise their contribution.

The team at Coomera Rivers State Schools do a wonderful job of celebrating their supporters through appreciation events and community breakfasts, helping strengthen the connections that make their school community so special.

How healthy is your home loan?

With the current cost of living, there's never been a better time to review your home loan.

We'll look at your rate, term, repayments, and equity, giving your loan a full check-up to make sure it's still right for you and your current needs.
