Hello Gold Coast!

Community Bank · Paradise Point

Making great things happen

We are proud to bring people together to make great things happen. For example, we're major partners of YP Gold Coast, our region's leading advocacy and networking group. They motivate, inspire and connect our city's future leaders with events and opportunities. "Our social enterprise business model resonates with young professionals and businesses," says Brodie Lunney, our Business Development Manager. "Not only can people choose us for their banking, they also see the positive community impact that has."

We also support the Sovereign Islands & Surrounds Monthly Community Luncheon, an initiative of mother-daughter power couple, Marilyn West and Jo Rahn. They bring a dynamic group of people together every month to raise money for a worthy cause. So far, they've raised over \$76,000, supporting 17 local organisations. We're proud to help them do it.

With the profits generated by Community Bank Paradise Point we are supporting an extraordinary range of local organisations to do great work in the community (see the list overleaf).

The Quiet Courage Foundation

Mel, Janna and Nicky (pictured above) are from The Quiet Courage Foundation. These three women met and supported each other while being treated for cancer. Now they help and support others. Their foundation provides care boxes filled with practical and self care items to uplift and bring courage to people being treated for cancer.

We are proud to support them to deliver their care boxes to oncology wards and day units across the Gold Coast.

Our social enterprise certification

Paradise Point Financial Services Ltd—the company that owns and operates Community Bank Paradise Point in partnership with Bendigo Bank—recently attained its social enterprise certification. Social enterprise businesses prioritise their social mission, ensuring every transaction generates benefits for the community beyond profits.

When you choose Community Bank Paradise Point for your banking it's not just a transaction, but a deliberate act of building a better future for our Gold Coast community. What's not to love about that?
