Community Bank · Paynesville & District

New Staff Member

We welcome our new full time staff member, Dominique Allen to the branch. Dom is a local girl who has lived and worked in the area for many years and commenced at our branch in May. As she has worked in Paynesville for several years, she already knows many of our customers but looks forward to meeting many more! Outside of work, Dom enjoys walking with friends, and spending Saturdays watching the local footy. Make sure you say hello and introduce yourself to Dom when you are next in the branch.

Dividend Payment:

Shareholders are reminded to contact the branch staff or company secretary to update their bank details to enable the dividend payment announced in December to be processed to your account. Dividends are no longer paid by cheque and can only be processed via EFT direct to your bank account. We still have around 80 Shareholders who have not advised us of their bank account details and have not received their dividend to date.

Shareholders can either complete a hard copy form, or register with our online Share Registry Department to update their information. If you have not yet registered to use the online system, please call AFS Share Registry on (03)5443 0344 or email shareregistry@afsbendigo.com.au and they can assist. So if you have not received your dividend payment, please advise us of your banking details by registering online, or by contacting us to obtain a Shareholder Details form as soon as possible to enable payment of your dividend.

25 Year Anniversary of Community Banking:

Bendigo Bank's unique Community Bank model is celebrating 25 years of community owned and operated banking in Australia.

The internationally acclaimed model has grown from a concept designed to empower communities at risk of losing face-to-face banking services to a network of more than 300 branches nationally with \$20 billion in loans and \$31.3 billion in deposits.

Founded in 1998 with branches in Rupanyup and Minyip, the secret to its success can be traced back to the profit-with-a-purpose model which sees a majority of the profits generated by each independently owned and operated Community Banks directed back into the community.

Community Bank Paynesville Chair Janet McLeod thanked the Bank's customers for their support, its team members for delivering quality service, local shareholders for backing their community and all the passionate locally based directors for their hard work and dedication.

"We would like to congratulate Bendigo Bank and Community Bank Rupanyup and Minyip on their 25th anniversary. The important steps they took made it possible for communities like ours and many others to take charge of our future."

"In Paynesville, we were delighted to open our own Community Bank on 12th December 2005, building on the success of these early pioneer communities. Since then, Community Bank Paynesville has returned around \$625,000 in sponsorships and grants to the community. These donations have supported initiatives such as the Paynesville Primary School playground and the Paynesville Foreshore redevelopment, as well as sponsoring local community groups and sporting clubs for the past 17 years.

Collectively, the Community Bank model is on track to return a total of \$300 million in profits in its anniversary year since inception. Community Bank funding often attracts co-investors such as local, state and federal governments creating a multiplier effect on the capital raised which has enabled projects totalling over an estimated \$1 billion.

Community Sponsorship Partnership Program:

Pictured below are some of the community groups sponsored this year - Paynesville RSL and the Neighbourhood Centre Food Bank.
