Paynesville foreshore – ready for summer!

The foreshore project is now finished and is looking great. Locals and visitors alike will benefit from the new look, with the lovely grassy spaces, the funky seating areas, the new trees and the improved safety for traffic and pedestrians.

The official launch of the completed project took place on 23 September, and was opened by Parliamentary Secretary for Tourism, Major Events and Regional Victoria Ms Danielle Green, and attended by the Mayor of East Gippsland Shire Council, Cr Peter Neal, CEO of East Gippsland Shire Council Mr Gary Gaffney, Darren Chester MP and Tim Bull MP as well as local identity Ross Gilsenan.

The Chair of Paynesville & District Financial Services Limited, which runs the Paynesville & District **Community Bank**[®] Branch, Martin Richardson, said co-funding a project of this type was a first for the branch, which is required by its charter to channel 50 per cent of its profit back into the local community.

“We held a workshop with the community in 2012 to help us understand what people wanted and needed and a clear priority was the beautification of the Paynesville foreshore and Esplanade and safety improvements for pedestrians,” Mr Richardson said.

“The Paynesville Esplanade foreshore area is the town’s hub of visitor and community activity, hosting events such as the Paynesville Music Festival and Carols on the Lake, which are also sponsored by the **Community Bank**[®] branch. This project has delivered a powerful social and economic benefit to Paynesville and district, which is exactly what we work to achieve.”

Paynesville & District **Community Bank**[®] Branch takes pride in its position in Paynesville and district and is proud of its competitive offering and award-winning service.

As the banking services provider of choice for the area, the **Community Bank**[®] branch delivers the full, competitive range of banking and insurance services and is a strong and dynamic part of the East Gippsland business community.

“But we are not just about business. Our locally owned company, which operates under a franchise agreement with Bendigo Bank, employs local people and invests a large portion of our profits into the community,” Mr Richardson said.

“Since we opened our doors 10 years ago, Paynesville & District **Community Bank**[®] Branch has distributed more than \$350,000 back to our community through donations, sponsorships and grants, and dividends to shareholders,” he said.

“We work for the benefit of our customers to help improve local employment, provide opportunities, and contribute to our economy. It is not just good for our community it is good for business too.”

The branch contributed \$125,000 to the upgrade of the foreshore, along with State Government funding of \$300,000, and East Gippsland Shire Council’s contribution of \$325,000.

Community groups.

Although our funding ability has been curtailed this year due to our commitment to the funding of the Paynesville foreshore, we have still been able to give assistance to community activities. Over the past 12 months, a number of local clubs and organisations have benefitted from our sponsorship. The list below is only a sample of the many local organisations we have supported:

- Paynesville Football and Netball Club
- Paynesville Bowls Club
- Paynesville flotilla of the Australian Volunteer Coast Guard
- Golf Club
- Paynesville Music Festival
- Australia Day Awards
- Paynesville Christmas Carols.

The branch has also been involved with fundraising for the Royal Children's Hospital Appeal and promotion of Small Business Day.

We are really proud to support organisations such as the local Coast Guard. Our contribution assists them to maintain their rescue vessel and to train volunteers, thereby increasing safety on our lakes. Another major sponsorship we are involved in is the increasingly popular Paynesville Music Festival, which attracts thousands of visitors to Paynesville each year. The festival makes a significant contribution to our economy and gives our branch a great

opportunity to promote our business and our region.

Next year, we will be introducing a more streamlined way of

applying for and allocating sponsorship requests through a Community Grants and Sponsorship Program process whereby community groups and organisations can apply for funding for their event or project through an annual application process. The aim of the Community Grants and Sponsorship Program is to support a broad range of initiatives that address identified needs which will enhance the well-being of our community.
