Farming Business Update

On Tuesday 6 September 2022 the Community Bank Penola & District hosted a Farming Business Update event at the Penola Bowling Club.

We heard from Rural Bank's State Manager, Neil Verringer and local Agribusiness Relationship Manager, Candice Townsend on Rural Banks views on current season commodities and banking updates.

Murray Nankivell director, Mark Edwards, and Senior Accountant, Leah Cother, provided an insight into effective business structures for farming businesses and succession planning, an update on key tax changes and farm financial management best practice using Xero and Figured software.

Virbac's local sales representative, Stephen Fisher also discussed targeting sheep and cattle reproduction through improving animal health and correct timing of applications.

It was an informative, free session, one which we hope to continue to do on a regular basis. If you have a topic of interest, please speak with Tara.

Annual General Meeting

Penola & District Financial Services Ltd will be holding it's Annual General Meeting, community breakfast and celebration of grant recipients at the Penola Bowling Club on Thursday 10 November 2022 from 8.30am.

2022 was a big year for the Community Bank Penola & District of Bendigo Bank and we extend an open invitation to any community members interested in hearing about the business progress, joining the staff and Directors for breakfast and seeing the recipients of the Community Grants program.

Jump Rope for Heart

On Friday September 23rd 2022, Tara attended the Mary MacKillop Memorial School's Jump Rope for Heart "Jump Off" to provide some insight into the work that the Heart Foundation does, and provided some insight from her personal experiences.

While there, Tara announced to the school that Community Bank Penola & District are providing a Staff Community Contribution for 2022, and Tara elected to donate her \$500 towards MMMS Jump Rope for Heart efforts.

This created great excitement as it bought the school total to just under \$3800, before the Jump Off began! By the end of the day, the total funds raised was an outstanding \$4309, such a tremendous effort for a small school!
