Picton & District Community Enterprises Limited

ABN 73 145 546 121

Picton CommunityBank®Branch

# **About Community Bank®**

A **Community Bank** <sup>®</sup> branch is a locally owned and operated company, which functions as a franchise of Bendigo and Adelaide Bank. The Bank provides the coverage of its banking licence, a full range of banking products, training of staff and ongoing support.

Depositors are protected by the Bank's imposing track record when it comes to the security of depositors' funds. We are one of Australia's oldest financial institutions, we have operated since 1858 and have declared a profit in every year and we have without fail honoured our depositors.

The Bank and the community company are each entitled to agreed portions of the revenue of the local **Community Bank**<sup>®</sup> branch and the local company is responsible for paying branch running costs.

When the local company begins to make a regular operating surplus, after the payment of branch running costs, and the Bank's share of the revenue is received, the remaining funds are available to be reinvested back into the community through dividends to shareholders and grants to community groups and projects.

# WHAT WE WANT TO BE?

We aim to be a profitable Community Bank.

# WHAT IS OUR REASON FOR BEING?

- To provide a perpetual stream of fundraising to our community
- To reward shareholders through dividends

# Our key strategies...

We Will:	By:
1. Focus on our people	Engaging with our shareholders, customers and our community
2. Be a profitable organisation	By promoting and facilitating business growth opportunities
3. Become a Best Practice Organisation	Continually improving the governance of our company
4. Support our community	Moving money into the community
5. Maximise the potential of our staff	Providing opportunities for our staff to develop their skills

# About us...

Picton & District **Community Bank**<sup>®</sup> Branch opened its doors in 2011.

Starting off as a small business, we have grown steadily each year. Six years on we continue to provide local banking with quality customer service. We are proud to support our community with funds and involvement. To get this far is a real milestone and testament to the commitment and support of the Picton and district local community.

The branch contributes profits back to the community through its sponsorships & grants program found on page 14 of this Annual Report. The program assists local community groups with a wide range of projects, events and initiatives.

Shares are available to invest in our company and we have been working hard towards being able to declare a dividend for our shareholders.

We are pleased to be able to provide a great opportunity to be a part of a local business with a sustainable future. We employ local people and support our local community.

# Chairperson's Message...

### 30 June 2017

We have just finished operating the Picton & District **Community Bank**<sup>®</sup> Branch for our 6<sup>th</sup> year.

In our prospectus to buy shares, issued in 2010, we forecasted that after three years, we would have deposits and loans showing a total "bank book" of \$49.405 million.

In July this year, after 5.5 years of trading our "bank book" is sitting around \$93 million as at 23 July 2017.

As a company we currently have an overdraft of \$112,340. We hope that within 24 months, if not sooner, we will have cleared our overdraft and be in profit which will mean we can give serious consideration to declaring a dividend to our patient shareholders.

I was attracted to the **Community Bank**<sup>®</sup> model for the community aspect, and whilst a dividend would be great, I am happy with the support that our bank provides to our community. The greater support we receive from our community the greater the support we can give back and the sooner we will be able to declare a dividend.

I have been a shareholder from the inception and a Board member for four years. This last year as Chairman has been an exciting one. We have donated back to the community in many ways. This year we supported our first university student with a two-year scholarship and two more of our scholarships will be awarded early next year. We have helped send some gifted athletes to state and national level competitions within their chosen sports and are currently helping the local Gymnastic Kids Gymnastics Club raise funds to send the only Australian team to Osaka later this year.

This year we have seen the mobile lending services no longer required. We employed a part time staff member who has shown great initiative and is now a full time employee along with completing his Cert IV in Banking.

I wish to express my sincere gratitude to our branch staff, and particularly to our Manager Steve Homann, for another great effort this year. Our total "bank book", especially loans, has once again increased considerably. Our rate of growth is still one of the highest with the **Community Bank**<sup>®</sup> network in Australia.

My thanks go to our previous Board members Angus Cox, John Corbett, Geoffrey Drake, Phil Costa and Jennifer Baldwin who all stepped down from the Board at the last Annual General Meeting. Their contribution to our **Community Bank**<sup>®</sup> Company since the inception of the idea has been greatly appreciated. We have been successful in gaining three new Directors with Anthony Watters, Evelyn Szumski and Linda Difrancesco (a previous Board member) joining the Board which now complements and adds new skill sets and new ideas. I am looking forward to an exciting year of growth under the helm of our new Board.

My thanks go to all of the Directors, branch staff and Bendigo Bank that I have had the pleasure of working with, and who have supported our efforts to establish a perpetual fundraising organisation and integral part of our local community

Tia Louise Veech, Chairman

### Proceedings on behalf of the company

No person has applied to the Court under section 237 of the *Corporations Act 2001* for leave to bring proceedings on behalf of the company, or to intervene in any proceedings to which the company is a party, for the purpose of taking responsibility on behalf of the company for all or part of those proceedings.

2

2

No proceedings have been brought or intervened in on behalf of the company with leave of the Court under section 237 of the *Corporations Act 2001*.

### Non audit services

The company may decide to employ the auditor on assignments additional to their statutory duties where the auditor's expertise and experience with the company are important. Details of the amounts paid or payable to the auditor (Andrew Frewin Stewart) for audit and non-audit services provided during the year are set out in the notes to the accounts.

The board of directors has considered the position and is satisfied that the provision of the non-audit services is compatible with the general standard of independence for auditors imposed by the *Corporations Act 2001*. The directors are satisfied that the provision of non-audit services by the auditor, as set out in the notes did not compromise the auditor independence requirements of the *Corporations Act 2001* for the following reasons:

- all non-audit services have been reviewed by the board to ensure they do not impact on the impartiality and objectivity of the auditor
- none of the services undermine the general principles relating to auditor independence as set out in APES 110 Code of Ethics for Professional Accountants, including reviewing or auditing the auditor's own work, acting in a management or a decision-making capacity for the company, acting as advocate for the company or jointly sharing economic risk and rewards

# Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the *Corporations Act 2001* is set out on page 24.

Signed in accordance with a resolution of the board of directors at Picton, New South Wales on 23 August 2017.

# Managers' report...

### Financial year 2016/17

What a financial year it has been for Picton & Districts **Community Bank**<sup>®</sup> Branch which continues to evolve and grow with a strong performance in both lending and deposit books as well as customer numbers. We have also seen our committed staff work hard to achieve sales in all our suite of products including of savings, lending, insurance and wealth.

Over this period our customer numbers grow by 10.5% with 1,115 clients holding an average 1.9 products each. We opened 359 new accounts over the year with our over the counter/teller transaction up 6.8% during this period. The feedback I have received from clients is, "What wonderful Customer Service we get here," or "The staff are always so friendly and happy to see me," which is a testament to the ongoing commitment to our customer service.

This is also reflected in the branch winning the 'Outstanding Professional Services Award' at the 2016 Camden Wollondilly Local Business Awards and we were thrilled to be a finalist in the same category at the 2017 awards, a job well done.

Our lending book was our main driver for new business, achieving a 92.5% growth for the year; this represents a lending growth in dollar figures of \$ 11.617 million with \$ 22.079 million loans approved and settlements of \$20.656 million. Our clients have built, bought and sold properties through the year with many refinancing from other institutions due to lack of service from their previous bankers. Our current lending pipeline still strong with \$ 6 million waiting to be funded.

Our deposits also saw an annual growth of \$7.619 million or 21.4% in all our deposit products. This is at a time when deposit rates are low.

Our total book grew by \$18.391 million for the financial year taking our footing to a new high of \$93.543 million as at 30 June 2017. We continue to be a balanced business with total deposits at \$43.199, million and lending at \$48.210 million.

The staff have also continued to focus on protecting our client's assets with 41 Home and Contents and landlords insurance sold, remembering the effects of the 2016 storm event in our area, this is up from 35 the previous year.

Meet our team; Mandy Hunt, Brittany McFarlane and our newest member Timothy Watters have formed as a strong and vibrant team. They have worked hard to ensure our day-to-day activities meet the highest standard of accuracy which was proven when they achieved a satisfactory audit/compliance report with the highest rankings going.

Finally, I would like to thank the Board of Directors for their unwavering support under the leadership of Tia Veech as Chair, Ally Dench our Secretary and Josh Muller Treasurer. Welcome to our newest Directors; Tony Watters, Evelyn Szumski and welcome back Linda Difrancesco. Thank you to all involved.

Stephen Homann

**Branch Manager** 

# Congratulations to our staff...

### 2017 Camden Wollondilly local business awards

This year again we were proud when Picton and District **Community Bank**<sup>®</sup> Branch was nominated in the Camden Wollondilly local business awards as finalists in the 'Outstanding Professional Services Award', a job well done.

We would like to say a very big thank you to all of our customers and those who voted for us.

Congratulations to our great team!

# A snapshot of some of our activities...

### Illuminarte Major Media Sponsor - \$5500 Radio advertising

We were proud to be this year's IlluminARTe Wollondilly major Media Broadcaster for this year's festival.

C91.3 broadcasted LIVE from the Picton Hotel from Monday 24 April till Saturday 29 April for Breakfast, Morning, Afternoon and Drive Shows. Picton and District Community Bank were

proud to be the major Media Sponsor to enable this to happen and were able to promote the great benefits of local banking for the community.

### Rapid 1st Aid Training & Supplies

So glad we could partner with Rapid 1st Aid Training & Supplies for these great machines and vital training in Picton & Tahmoor. Excited that the government is funding 100's of these to sporting clubs across the country.

### Once in a lifetime trip for our young gymnasts

We were honoured to give Sponsorship of \$2300 to help the Gymtastics team get to Osaka Japan to represent Australia (images OSAKA and Rock)

Gymtastic Kids Fundraising sought our support to help send the team to represent Australia.

The Gymnastics Festival Osaka is run by MGLA (Meeting of Gymnastic Leaders for All), a gymnastics group very active in Gymnastics for all in Japan and popular performers at the World Gymnaestrada.

Gymtastic Kids "Southern Spirit" team was chosen to represent Gymnastics Australia at the Gymnastics Festival Osaka from the 12th to 17th October 2017.

Our small town community club was the only club selected from the whole of Australia which is a huge achievement we are so greatly proud of. To say we are thrilled is just not enough. This opportunity will open so many doors & opportunities for our local young talent and is a dream come true for these young gymnasts. We hope this experience will inspire our community and show that dreams can come true

This year the MGLA invited Australia and Finland to send a team to represent their countries.

### Introducing our first ever scholarship recipient

Congratulations to Brooke Lockwood, our first Scholarship winner for Picton & Districts Community Bank<sup>®</sup> branch for 2017. Brooke will receive \$5000 over 2 years

We're very excited to have been able to launch this program in the Wollondilly and help Brooke achieve her dreams.

We wish Brooke all the very best in her Bachelor of Design (Honours)/ Bachelor of Media (Public Relations and Advertising)

### Buxton Play ground - Giving local kids somewhere to play

**Buxton Play ground - FIX UP** \$600 donated for the group to fix for the locals.

Here at Picton & Districts Community Bank<sup>®</sup> Branch, we're all for giving back.

We supported the restoration of a local park for our neighbours in Buxton – a small rural town, a hop skip and a jump away from Picton.

The local community all pulled together and spent weekends restoring this park, helping to make sure little ones have somewhere safe to play.

Between all the working bees and barbeques, this project was pulled off thanks to the passion and commitment of locals.

We're proud to partner on projects such as these, as they stand for everything we are about – community.

# Courageous Corey Community Car

So proud to present Grant with our cheque to help the team of the Courageous Corey Community Car on their esCarpade journey

## Proud sponsors of the best recycled cart at Cawdor Billy Cart Derby.

### Picton Magpies Rugby League Football Club

Proud to sponsor our local team again this year and excited that as an ongoing fundraiser the Picton Magpies RLFC has joined with us on our referral program. This is an awesome way to add to your fundraising efforts, basically if any one of your supporters comes into the branch and organises a loan (of any kind) and tells us they were referred by you we will automatically make a payment into your groups Bendigo Bank account. This is open to charitable groups, sporting /arts groups, school p&c's etc. If you want to know more please contact us

# Sponsoring Ryan for NSW Softball Team

Congratulations to local Wollondilly boy Ryan for being selected for this.

Bendigo Bank are sponsoring Ryan and Wollondilly Markets matched dollar for dollar for all donations made on market day under the Bendigo Bank Community Bank cabana

Ryan was selected for U/19 NSW state SOFTBALL team - nationals in Brisbane - January 15-22nd 2017.

He is 17 years old and the only person from Wollondilly shire to be selected and he trained 3 times a week in various locations across the shire.

# Sponsoring Luke Meek as one of our under 12's indoor cricket NSW representatives

### Our Community Pantry

Congratulations Paula and the Community Pantry Team. It has been an honour to see this humble project grow and know that we have this amazing asset in our community.

This organisation has seen first-hand how Community Banking works and it is a community project we are proud to support.

The food distribution centre located in Tahmoor offers nutritious meals to more than 23,000 Macarthur region locals who are experiencing financial hardship.

In a 12 month period, Our Community Pantry provided 128,000 meals and funding from organisations like our Community Bank<sup>®</sup> branch have played a part in making that happen.

# Wollondilly Women in Business Network Expo

Congratulations to Wollondilly Women In Business Network - what a great expo showcasing some of the many amazing businesses right here in Wollondilly. Can't wait for next year's event!

# Rotary's U-Turn the wheel event

Very proud to be associated with this great Rotary initiative again this year. Thank you Ally Cox for speaking to our Board about this initiative

# Bendigo Bank - Excellence in Learning Awards

As Chairman occasionally I get to do really cool things.

Like attending the Celebration of Learning Assembly at Wilton Public School and presenting a level 3 learner with a certificate of excellence (and a Bendigo bank Account).

Congratulations Christopher Kelly on achieving this honour this year.

Congratulations to all students who received their excellence in learning awards.

## Getting the Bank out there....

Build it and they will come – right?

Launch the website and sales will start pinging through - right?

Have a great product – you'll always have customers – right?

WRONG!

This year has been about getting our name out there!!

We have been working really hard this year on our marketing strategy to get the word out about the Picton Community Bank and the benefits our business has for our Community.

We have been fortunate to have Amanda Fitzgerald on board to assist us with this big task and her sensible approach to shop around and find good value for our company's needs is starting to pay off.

Amanda has undertaken sound market research, promoted our products and got the brand out there all within a well-considered budget.

Amanda has used a number of ways to get the word out about our business without it "breaking the bank" and following are some of the initiatives that have been implemented:

- ✓ Taking advantage of the Community Bank marketing initiatives and templates
- ✓ Designing and promoting our social media presence
- ✓ Collaborating with other key community players
- ✓ Offering our services and product as a competition prizes
- ✓ Promoting referral marketing with the help of our Branch Manger
- ✓ Getting our name out there through radio and the print media for example:
  - Macarthur Advertiser: one press ad per month, show casing our state based promotions & sponsorship.
  - Local Radio C91.3 at 3.55 pm weekdays (15 sec ad) and Sat 9-10am two live reads to point out our point of difference from the other banks in the area. We are emphasising we are open till 5pm work days and from 9am till noon Saturdays and this has been working great for our brand awareness.

### Note 1. Summary of significant accounting policies

### a) Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standard Boards and the *Corporations Act 2001*. The company is a for-profit entity for the purpose of preparing the financial statements.

### Compliance with IFRS

These financial statements and notes comply with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB).

### Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. These areas involving a higher degree of judgement or complexities, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 3.

### Historical cost convention

The financial statements have been prepared under the historical cost convention on an accruals basis as modified by the revaluation of financial assets and liabilities at fair value through profit or loss and where stated, current valuations of non- current assets. Cost is based on the fair values of the consideration given in exchange for assets.

### Comparative figures

Where required by Australian Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

### Application of new and amended accounting standards

There are a number of amendments to accounting standards issued by the Australian Accounting Standards Board (AASB) that became mandatorily effective for accounting periods beginning on or after 1 July 2016, and are therefore relevant for the current financial year.

None of these amendments to accounting standards issued by the Australian Accounting Standards Board (AASB) materially affected any of the amounts recognised in the current period or any prior period and are not likely to affect future periods. There are also a number of accounting standards and interpretations issued by the Australian Accounting Standards Board (AASB) that become effective in future accounting periods

The company has elected not to apply any accounting standards or interpretations before their mandatory operative date for the annual reporting period beginning 1 July 2016. These future accounting standards and interpretations therefore have no impact on amounts recognised in the current period or any prior period.

Only AASB 16 Leases, effective for the annual reporting period beginning on or after 1 January 2019 is likely to impact the company. This revised standard will require the branch lease to be capitalised.

### Economic dependency - Bendigo and Adelaide Bank Limited

The company has entered into a franchise agreement with Bendigo and Adelaide Bank Limited that governs the management of the Community Bank<sup>®</sup> branch at Picton, New South Wales. The branch operates as a franchise of Bendigo and Adelaide Bank Limited, using the name "Bendigo Bank" and the logo and system of operations of Bendigo and Adelaide Bank Limited. The company manages the Community Bank<sup>®</sup> branch on behalf of Bendigo and Adelaide Bank Limited, however all transactions with customers conducted through the Community Bank<sup>®</sup> branch are effectively conducted between the customers and Bendigo and Adelaide Bank Limited.

for the year ended 30 June 2017

### Note 1. Summary of significant accounting policies (continued)

### a) Basis of preparation (continued)

### Economic dependency - Bendigo and Adelaide Bank Limited (continued)

All deposits are made with Bendigo and Adelaide Bank Limited, and all personal and investment products are products of Bendigo and Adelaide Bank Limited, with the company facilitating the provision of those products. All loans, leases or hire purchase transactions, issues of new credit or debit cards, temporary or bridging finance and any other transaction that involves creating a new debt, or increasing or changing the terms of an existing debt owed to Bendigo and Adelaide Bank Limited, must be approved by Bendigo and Adelaide Bank Limited. All credit transactions are made with Bendigo and Adelaide Bank Limited, and all credit products are products of Bendigo and Adelaide Bank Limited.

The company promotes and sells the products and services, but is not a party to the transaction.

The credit risk (i.e. the risk that a customer will not make repayments) is for the relevant Bendigo and Adelaide Bank Limited entity to bear as long as the company has complied with the appropriate procedures and relevant obligations and has not exercised a discretion in granting or extending credit.

Bendigo and Adelaide Bank Limited provides significant assistance in establishing and maintaining the Community Bank<sup>®</sup> branch franchise operations. It also continues to provide ongoing management and operational support and other assistance and guidance in relation to all aspects of the franchise operation, including advice in relation to:

- advice and assistance in relation to the design, layout and fit out of the Community Bank® branch
- training for the branch manager and other employees in banking, management systems and interface protocol
- methods and procedures for the sale of products and provision of services
- security and cash logistic controls
- calculation of company revenue and payment of many operating and administrative expenses
- the formulation and implementation of advertising and promotional programs
- sales techniques and proper customer relations.

The following is a summary of the material accounting policies adopted by the company in the preparation of the financial statements. The accounting policies have been consistently applied, unless otherwise stated.

### b) Revenue

Revenue is recognised when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the company and any specific criteria have been met. Interest and fee revenue is recognised when earned. The gain or loss on disposal of property, plant and equipment is recognised on a net basis and is classified as income rather than revenue. All revenue is stated net of the amount of Goods and Services Tax (GST).

### Revenue calculation

The franchise agreement provides that three forms of revenue may be earned by the company – margin, commission and fee income. Bendigo and Adelaide Bank Limited decides the form of revenue the company earns on different types of products and services.

The revenue earned by the company is dependent on the business that it generates. It may also be affected by other factors, such as economic and local conditions, for example, interest rates.

Tor the year ended 50 Julie 2017

### Note 1. Summary of significant accounting policies (continued)

### b) Revenue (continued)

### Core banking products

Bendigo and Adelaide Bank Limited has identified some Bendigo Bank Group products and services as 'core banking products'. It may change the products and services which are identified as core banking products by giving the company at least 30 days' notice. Core banking products currently include Bendigo Bank branded home loans, term deposits and at call deposits.

### Margin

Margin is arrived at through the following calculation:

- Interest paid by customers on loans less interest paid to customers on deposits
- plus any deposit returns i.e. interest return applied by Bendigo and Adelaide Bank Limited for a deposit,
- *minus* any costs of funds i.e. interest applied by Bendigo and Adelaide Bank Limited to fund a loan.

Margin is paid on all core banking products. A funds transfer pricing model is used for the method of calculation of the cost of funds, deposit return and margin.

The company is entitled to a share of the margin earned by Bendigo and Adelaide Bank Limited (i.e. income adjusted for Bendigo and Adelaide Bank Limited's interest expense and interest income return). However, if this reflects a loss, the company incurs a share of that loss.

### Commission

Commission is a fee paid for products and services sold. It may be paid on the initial sale or on an ongoing basis. Commission is payable on the sale of an insurance product such as home contents. Examples of products and services on which ongoing commissions are paid include leasing and Sandhurst Trustees Limited products.

### Fee income

Fee income is a share of what is commonly referred to as 'bank fees and charges' charged to customers by Bendigo Bank Group entities including fees for loan applications and account transactions.

### Discretionary financial contributions

In addition to margin, commission and fee income, and separate from the franchise agreement, Bendigo and Adelaide Bank Limited has also made discretionary financial payments to the company. These are referred to by Bendigo and Adelaide Bank Limited as a "Market Development Fund" (MDF).

The amount has been based on the volume of business attributed to a branch. The purpose of the discretionary payments is to assist with local market development activities, including community sponsorships and donations. It is for the board to decide how to use the MDF.

The payments from Bendigo and Adelaide Bank Limited are discretionary and Bendigo and Adelaide Bank Limited may change the amount or stop making them at any time.

### Note 1. Summary of significant accounting policies (continued)

### b) Revenue (continued)

### Ability to change financial return

Under the franchise agreement, Bendigo and Adelaide Bank Limited may change the form and amount of financial return that the company receives. The reasons it may make a change include changes in industry or economic conditions or changes in the way Bendigo and Adelaide Bank Limited earns revenue.

The change may be to the method of calculation of margin, the amount of margin, commission and fee income or a change of a margin to a commission or vice versa. This may affect the amount of revenue the company receives on a particular product or service. The effect of the change on the revenue earned by the company is entirely dependent on the change.

If Bendigo and Adelaide Bank Limited makes a change to the margin or commission on core banking products and services, it must not reduce the margin and commission the company receives on core banking products and services Bendigo and Adelaide Bank Limited attributes to the company to less than 50% (on an aggregate basis) of Bendigo and Adelaide Bank Limited's margin at that time. For other products and services, there is no restriction on the change Bendigo and Adelaide Bank Limited may make. Bendigo and Adelaide Bank Limited must give the company 30 days' notice before it changes the products and services on which margin, commission or fee income is paid, the method of calculation of margin and the amount of margin, commission or fee income.

### Monitoring and changing financial return

Bendigo and Adelaide Bank Limited monitors the distribution of financial return between Community Bank<sup>®</sup> companies and Bendigo and Adelaide Bank Limited on an ongoing basis. Overall, Bendigo and Adelaide Bank Limited has made it clear that the Community Bank<sup>®</sup> model is based on the principle of shared reward for shared effort. In particular, in relation to core banking products and services, the aim is to achieve an equal share of Bendigo and Adelaide Bank Limited's margin.

### c) Income tax

### Current tax

Current tax is calculated by reference to the amount of income taxes payable or recoverable in respect of the taxable profit or loss for the period. It is calculated using tax rates and tax laws that have been enacted or substantively enacted by reporting date. Current tax for current and prior periods is recognised as a liability (or asset) to the extent that it is unpaid (or refundable).

### Deferred tax

Deferred tax is accounted for using the balance sheet liability method on temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax base of those items.

In principle, deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that sufficient taxable amounts will be available against which deductible temporary differences or unused tax losses and tax offsets can be utilised. However, deferred tax assets and liabilities are not recognised if the temporary differences giving rise to them arise from the initial recognition of assets and liabilities (other than as a result of a business combination) which affects neither taxable income nor accounting profit. Furthermore, a deferred tax liability is not recognised in relation to taxable temporary differences arising from goodwill.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period(s) when the asset and liability giving rise to them are realised or settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by reporting date. The measurement of deferred tax liabilities reflects the tax consequences that would follow from the manner in which the consolidated entity expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Note 1. Summary of significant accounting policies (continued)

c) Income tax (continued) Deferred tax (continued)

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax and when the balances relate to taxes levied by the same taxation authority and the company entity intends to settle its tax assets and liabilities on a net basis.

### Current and deferred tax for the period

Current and deferred tax is recognised as an expense or income in the Statement of Profit or Loss and Other Comprehensive Income, except when it relates to items credited or debited to equity, in which case the deferred tax is also recognised directly in equity, or where it arises from initial accounting for a business combination, in which case it is taken into account in the determination of goodwill or excess.

### d) Employee entitlements

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

The company contributes to a defined contribution plan. Contributions to employee superannuation funds are charged against income as incurred.

### e) Cash and cash equivalents

For the purposes of the Statement of Cash Flows, cash includes cash on hand and in banks and investments in money market instruments, net of outstanding bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the Balance Sheet.

### f) Trade receivables and payables

Receivables are carried at their amounts due. The collectability of debts is assessed at balance date and specific provision is made for any doubtful accounts. Liabilities for trade creditors and other amounts are carried at cost that is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the company.

### g) Property, plant and equipment

Plant and equipment, leasehold improvements and equipment under finance lease are stated at cost less accumulated depreciation and impairment. Cost includes expenditure that is directly attributable to the acquisition of the item. In the event that settlement of all or part of the purchase consideration is deferred, cost is determined by discounting the amounts payable in the future to their present value as at the date of acquisition.

Depreciation is provided on property, plant and equipment, including freehold buildings but excluding land. Depreciation is calculated on a straight line basis so as to write off the net cost of each asset over its expected useful life to its estimated residual value. Leasehold improvements are depreciated at the rate equivalent to the available building allowance using the straight line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each annual reporting period.

The following estimated useful lives are used in the calculation of depreciation:

- leasehold improvements	40	years
<ul> <li>plant and equipment</li> </ul>	2.5 - 40	years

# Picton & District Community Enterprises Limited Notes to the Financial Statements

for the year ended 30 June 2017

### Note 1. Summary of significant accounting policies (continued)

### h) Intangibles

The franchise fee paid to Bendigo and Adelaide Bank Limited has been recorded at cost and is amortised on a straight line basis over the life of the franchise agreement.

The renewal processing fee paid to Bendigo and Adelaide Bank Limited when renewing the franchise agreement has also been recorded at cost and is amortised on a straight line basis over the life of the franchise agreement.

### i) Payment terms

Receivables and payables are non interest bearing and generally have payment terms of between 30 and 90 days.

### j) Borrowings

All loans are initially measured at the principal amount. Interest is recognised as an expense as it accrues.

### k) Financial instruments

### Recognition and initial measurement

Financial instruments, incorporating financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions of the instrument.

Financial instruments are initially measured at fair value plus transaction costs. Financial instruments are classified and measured as set out below.

### Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expires or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset.

### Classification and subsequent measurement

(i) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an

active market and are subsequently measured at amortised cost using the effective interest rate method.

(ii) Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost using the

effective interest rate method.

### Impairment

At each reporting date, the entity assesses whether there is objective evidence that a financial instrument has been impaired. Impairment losses are recognised in the Statement of Profit or Loss and Other Comprehensive Income.

### Note 1. Summary of significant accounting policies (continued)

### l) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership are transferred to the company are classified as finance leases. Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred. Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

### m) Provisions

Provisions are recognised when the economic entity has a legal, equitable or constructive obligation to make a future sacrifice of economic benefits to other entities as a result of past transactions of other past events, it is probable that a future sacrifice of economic benefits will be required and a reliable estimate can be made of the amount of the obligation.

A provision for dividends is not recognised as a liability unless the dividends are declared, determined or publicly recommended on or before the reporting date.

### n) Contributed equity

Ordinary shares are recognised at the fair value of the consideration received by the company. Any transaction costs arising on the issue of ordinary shares are recognised directly in equity as a reduction of the share proceeds received.

### o) Earnings per share

Basic earnings per share is calculated by dividing the profit attributable to equity holders of the company, excluding any costs of servicing equity other than ordinary shares, by the weighted average number of ordinary shares outstanding during the financial year, adjusted for bonus elements in ordinary shares issued during the year.

### p) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of Goods and Services Tax (GST), except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the Balance Sheet. Cash flows are included in the Statement of Cash Flows on a gross basis.

The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the taxation authority are classified as operating cash flows.

# Picton & District Community Enterprises Limited Notes to the Financial Statements

for the year ended 30 June 2017

### Note 2. Financial risk management

The company's activities expose it to a limited variety of financial risks: market risk (including currency risk, fair value interest risk and price risk), credit risk, liquidity risk and cash flow interest rate risk. The company's overall risk management program focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the entity. The entity does not use derivative instruments.

Risk management is carried out directly by the board of directors.

### (i) Market risk

The company has no exposure to any transactions denominated in a currency other than Australian dollars.

### (ii) Price risk

The company is not exposed to equity securities price risk as it does not hold investments for sale or at fair value. The company is not exposed to commodity price risk.

### (iii) Credit risk

The company has no significant concentrations of credit risk. It has policies in place to ensure that customers have an appropriate credit history. The company's franchise agreement limits the company's credit exposure to one financial institution, being Bendigo and Adelaide BankLimited.

### (iv) Liquidity risk

Prudent liquidity management implies maintaining sufficient cash and marketable securities and the availability of funding from credit facilities. The company believes that its sound relationship with Bendigo and Adelaide Bank Limited mitigates this risk significantly.

### (v) Cash flow and fair value interest rate risk

Interest-bearing assets are held with Bendigo and Adelaide Bank Limited and subject to movements in market interest. Interest- rate risk could also arise from long-term borrowings. Borrowings issued at variable rates expose the company to cash flow interest-rate risk. The company believes that its sound relationship with Bendigo and Adelaide Bank Limited mitigates this risk significantly.

### (vi) Capital management

The board's policy is to maintain a strong capital base so as to sustain future development of the company. The board of directors monitor the return on capital and the level of dividends to shareholders. Capital is represented by total equity as recorded in the Balance Sheet. In accordance with the franchise agreement, in any 12 month period, the funds distributed to shareholders shall not exceed the distribution limit

The distribution limit is the greater of:

- (a) 20% of the profit or funds of the franchisee otherwise available for distribution to shareholders in that 12 month period; and
- (b) subject to the availability of distributable profits, the relevant rate of return multiplied by the average level of share capital of the franchisee over that 12 month period where the relevant rate of return is equal to the weighted average interest rate on 90 day bank bills over that 12 month period plus 5%.

The board is managing the growth of the business in line with this requirement. There are no other externally imposed capital requirements, although the nature of the company is such that amounts will be paid in the form of charitable donations and sponsorship paid for the year ended 30 June 2017 can be seen in the Statement of Profit or Loss and Other Comprehensive Income. There were no changes in the company's approach to capital management during the year.

#### Note 3. Critical accounting estimates and judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results.

Management has identified the following critical accounting policies for which significant judgements, estimates and assumptions are made. Actual results may differ from these estimates under different assumptions and conditions and may materially affect financial results or the financial position reported in future periods.

Further details of the nature of these assumptions and conditions may be found in the relevant notes to the financial statements.

#### Taxation

Judgement is required in assessing whether deferred tax assets and certain tax liabilities are recognised on the balance sheet. Deferred tax assets, including those arising from un-recouped tax losses, capital losses and temporary differences, are recognised only where it is considered more likely than not that they will be recovered, which is dependent on the generation of sufficient future taxable profits.

Assumptions about the generation of future taxable profits depend on management's estimates of future cash flows. These depend on estimates of future sales volumes, operating costs, capital expenditure, dividends and other capital management transactions. Judgements are also required about the application of income tax legislation.

These judgements and assumptions are subject to risk and uncertainty. There is therefore a possibility that changes in circumstances will alter expectations, which may impact the amount of deferred tax assets and deferred tax liabilities recognised on the balance sheet and the amount of other tax losses and temporary differences not yet recognised. In such circumstances, some or all of the carrying amount of recognised deferred tax assets and liabilities may require adjustment, resulting in corresponding credit or charge to the Statement of Profit or Loss and Other Comprehensive Income.

#### Estimation of useful lives of assets

The estimation of the useful lives of assets has been based on historical experience and the condition of the asset is assessed at least once per year and considered against the remaining useful life. Adjustments to useful lives are made when considered necessary.

#### Impairment of assets

At each reporting date, the company reviews the carrying amounts of its tangible and intangible assets that have an indefinite useful life to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the consolidated entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Note 4. Critical accounting estimates and judgements (continued)

#### Impairment of assets (continued)

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised in profit or loss immediately, unless the relevant asset is carried at fair value, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset (cash-generating unit) is increased to the revised estimate of its recoverable amount, but only to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognised in profit or loss immediately, unless the relevant asset is carried at fair value, in which case the reversal of the impairment loss is treated as a revaluation increase.

#### Rights attached to shares

#### (a) Voting rights

Subject to some limited exceptions, each member has the right to vote at a general meeting.

On a show of hands or a poll, each member attending the meeting (whether they are attending the meeting in person or by attorney, corporate representative or proxy) has one vote, regardless of the number of shares held. However, where a person attends a meeting in person and is entitled to vote in more than one capacity (for example, the person is a member and has also been appointed as proxy for another member) that person may only exercise one vote on a show of hands. On a poll, that person may exercise one vote as a member and one vote for each other member that person represents as duly appointed attorney, corporate representative or proxy.

The purpose of giving each member only one vote, regardless of the number of shares held, is to reflect the nature of the company as a community based company, by providing that all members of the community who have contributed to the establishment and ongoing operation of the Community Bank<sup>®</sup> branch have the same ability to influence the operation of the company.

(b) Dividends

Generally, dividends are payable to members in proportion to the amount of the share capital paid up on the shares held by them, subject to any special rights and restrictions for the time being attaching to shares. The franchise agreement with Bendigo and Adelaide Bank Limited contains a limit on the level of profits or funds that may be distributed to shareholders. There is also a restriction on the payment of dividends to certain shareholders if they have a prohibited shareholding interest (see below).

#### (c) Transfer

Generally, ordinary shares are freely transferable. However, the directors have a discretion to refuse to register a transfer of shares.

Subject to the foregoing, shareholders may transfer shares by a proper transfer effected in accordance with the company's constitution and the *Corporations Act 2001*.

#### Note 14. Contributed equity (continued)

Prohibited shareholding interest

A person must not have a prohibited shareholding interest in the company.

In summary, a person has a prohibited shareholding interest if any of the following applies:

- They control or own 10% or more of the shares in the company (the "10% limit").
- In the opinion of the board they do not have a close connection to the community or communities in which the company predominantly carries on business (the "close connection test").
- Where the person is a shareholder, after the transfer of shares in the company to that person the number of shareholders in the company is (or would be) lower than the base number (the "base number test"). The base number is 192. As at the date of this report, the company had 213 shareholders.

As with voting rights, the purpose of this prohibited shareholding provision is to reflect the community-based nature of the company.

Where a person has a prohibited shareholding interest, the voting and dividend rights attaching to the shares in which the person (and his or her associates) have a prohibited shareholding interest, are suspended.

The board has the power to request information from a person who has (or is suspected by the board of having) a legal or beneficial interest in any shares in the company or any voting power in the company, for the purpose of determining whether a person has a prohibited shareholding interest. If the board becomes aware that a member has a prohibited shareholding interest, it must serve a notice requiring the member (or the member's associate) to dispose of the number of shares the board considers necessary to remedy the breach. If a person fails to comply with such a notice within a specified period (that must be between three and six months), the board is authorised to sell the specified shares on behalf of that person. The holder will be entitled to the consideration from the sale of the shares, less any expenses incurred by the board in selling or otherwise dealing with those shares.

In the constitution, members acknowledge and recognise that the exercise of the powers given to the board may cause considerable disadvantage to individual members, but that such a result may be necessary to enforce the prohibition.

#### Note 26. Financial instruments

#### Financial Instrument Composition and Maturity Analysis

The table below reflects the undiscounted contractual settlement terms for all financial instruments, as well as the settlement period for instruments with a fixed period of maturity and interest rate.

	Floating interest		Fixed interest rate maturing in									
Financial instrument			1 year or less		Over 1 to 5 years		Over 5 years		Non interest bearing		Weighted average	
	2017	2016	2017	2016	2017	2016	2017	2016	2017	2016	2017	2016
	\$	\$	\$	\$	\$	\$	\$	\$	\$	\$	%	%
Financial assets												
Receivables	-	-	-	-	-	-	1	-	47,265	50,765	N/A	N/A
Financial liabilities												
Interest bearing liabilities	112,340	105,422	-	-	-	-	-	-	-	-	3. 74	4. 14
Payables	-	-	-	-	-	-	-	-	5,919	9,683	N/A	N/A

#### Net Fair Values

The net fair values of financial assets and liabilities approximate the carrying values as disclosed in the balance sheet. The company does not have any unrecognised financial instruments at the year end.

#### Credit Risk

The maximum exposure to credit risk at balance date to recognised financial assets is the carrying amount of those assets as disclosed in the balance sheet and notes to the financial statements.

There are no material credit risk exposures to any single debtor or group of debtors under financial instruments entered into by the economic entity.

#### Interest Rate Risk

Interest rate risk refers to the risk that the value of a financial instrument or cash flows associated with the instrument will fluctuate due to changes in market interest rates. Interest rate risk arises from the interest bearing financial assets and liabilities in place subject to variable interest rates, as outlined above.

#### Sensitivity Analysis

The company has performed sensitivity analysis relating to its exposure to interest rate risk at balance date. This sensitivity analysis demonstrates the effect on the current year results and equity which could result from a change in interest rates.

As at 30 June 2017, the effect on profit and equity as a result of changes in interest rate, with all other variables remaining constant would be as follows:

	2017 \$	2016 \$
Change in profit/(loss)		
Increase in interest rate by 1%	(1,123)	(1,054)
Decrease in interest rate by 1%	1,123	1,054
Change in equity		
Increase in interest rate by 1%	(1,123)	(1,054)
Decrease in interest rate by 1%	1,123	1,054

## Picton & District Community Enterprises Limited Directors' Declaration

In accordance with a resolution of the directors of Picton & District Community Enterprises Limited, we state that:

In the opinion of the directors:

- (a) the financial statements and notes of the company are in accordance with the *Corporations Act 2001*, including:

### Independent auditor's report to the members of Picton & District Community Enterprises Limited

#### Report on the audit of the financial statements

#### Our opinion

In our opinion, the financial report of Picton & District Community Enterprises Limited is in accordance with the Corporations Act 2001, including:

- giving a true and fair view of the company's financial position as at 30 June 2017 and of its performance for the year ended on that date; and
- ii. complying with Australian Accounting Standards.

#### What we have audited

Picton & District Community Enterprises Limited's (the company) financial report comprises the:

- ✓ Statement of profit or loss and other comprehensive income
- ✓ Balance sheet
- ✓ Statement of changes in equity
- ✓ Statement of cash flows
- ✓ Notes comprising a summary of significant accounting policies and other explanatory notes
- The directors' declaration of the entity.

#### **Basis for opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report.

In conducting our audit, we have complied with the independence requirements of the *Corporations Act* 2001. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act* 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Other information

The company usually prepares an annual report that will include the financial statements, directors' report and declaration and our independence declaration and audit report (the financial report). The annual report may also include "other information" on the entity's operations and financial results and financial position as set out in the financial report, typically in a Chairman's report and Manager's report, and reports covering governance and shareholder matters.

> Taxation | Audit | Business Services Liability limited by a scheme approved under Professional Standards Legislation. AllN 51 061 775 137

The directors are responsible for the other information. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial report does not cover the other information and accordingly we will not express any form of assurance conclusion thereon.

Our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If we identify that a material inconsistency appears to exist when we read the annual report (or become aware that the other information appears to be materially misstated), we will discuss the matter with the directors and where we believe that a material misstatement of the other information exists, we will request management to correct the other information.

#### Directors' responsibility for the financial report

The directors of the company are responsible for the preparation of the financial report so that it gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibility for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <u>http://www.auasb.gov.au/home.aspx</u>. This description forms part of our auditor's report.

Andrew Frewin Stewart 61 Bull Street, Bendigo, 3550 Dated: 23 August 2017
