Waverley woodworkers (WW).

Recently President Ray French described how Pinewood helped changed the lives of many locals with the grant received in 2015. Investing the monies into building a storage shed, WW

were able to continue servicing those in need in our community with household items handmade by members. Realising these monies came from the community investing in our branch, WW also moved all their banking business to Pinewood **Community Bank®** Branch to ensure other community groups could also benefit from this opportunity. Thanks Ray!
