Community Bank · Pinewood

Welcome to our Winter 'e-newsletter' for Community Bank Pinewood! We hope you find it informative as we keep you up-to-date with what's been happening here at the branch and with our Board Directors from June to August 2021.

A message from our Chairman

To our valued community

I am very pleased to announce that Community Bank Pinewood, along with our Pitch Partners will be giving away \$55,000 to local community groups at this year's Pitch It! Community Grants Night. This will be the fifth year of this event that includes our partners from the local business community. This year our Pitch Partners include

Mulgrave Country Club, Ryman Healthcare, Alinta Energy, Connect Advisors, Sharrock Pitman Legal, Garry Warren Smith Group and YPA Waverley. This event is the highlight of the year for our Community Bank where 12 local groups receive funding for their projects that improve our local community.

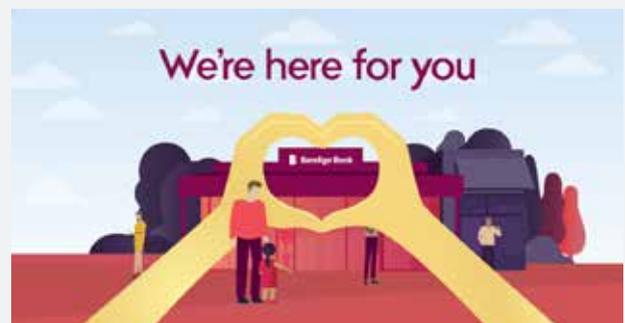

We have continued to build relationships with the local Chinese Australian community through the work of Director Peter Pan, now Executive Director Business Development. Joining Peter in his determined efforts is new Director

Jason Dong. Community Bank Pinewood has recently taken up a Platinum sponsorship of the Monash Business Awards. This organisation provides awards to outstanding local businesses and we are very excited about the sponsorship. Helping our business community get back on its feet after the pandemic will be a worthwhile endeavour.

Regards,

Robert Davies
Chairman

A message from our Community Bank

To all our valued customers and supporters we are all very hopeful that we will emerge from lockdown in the next few weeks and we hope that all of you in our community are safe and well. During lockdown Community Bank Pinewood has remained open for business and we thank you for your continued support in using our QR code and COVID-19 safe measures in place whilst in the branch.

The winter months saw us celebrate our 19th birthday in the Pinewood community, we are hopeful that next year we can have a celebration in person for our 20th birthday! We awarded the first Ericson Community Service Award to an outstanding local in John Jarvis, there is a feature further into the newsletter on his achievement, we extend our heartfelt congratulations to John on his win. We also launched our fifth year of 'Pitch It' Community Bank Pinewood Grants Program where selected finalist community groups will 'pitch' their projects to earn their share of almost \$55,000 in funds in collaboration with our local community 'pitch partner' businesses. We are very excited to announce the finalists in October and to hold the finalist event on 18 November.

Unfortunately, lockdown once again meant community sport was cancelled and many of our community groups events were either postponed or cancelled too. We really miss being able to show our support for the community in person and we all look forward to getting out there again when permitted.

Here at the branch we have our new uniforms and we love the way they look, we hope you do too. Lastly, we want to take this opportunity to congratulate Louise, our Marketing and Sponsorship Coordinator for nine years with us, and Paul Tyson, Customer Relationship Officer for doubling that with his 18 years of service!

Please don't hesitate to pop into the branch or give us a call for all of your banking needs, we're here for you.

We were delighted to welcome and present the 2021 winner of the Ericson Community Service Award at the branch today! John Jarvis is such a worthy recipient, having dedicated years of voluntary service to a variety of organisations within the City of Monash community and he still continues this work today.

We were also joined by a very special guest, the Award's namesake and our inaugural Branch Manager, Merv Ericson, it was lovely to see Merv and have him be part of this occasion. John elected for the \$1,000 grant to be given to the History Monash to assist them with their wonderful community work and we know they are extremely grateful for this contribution. John and his wife Raelene will join us at our 'Pitch It 2021 Finalist Event' in November to talk about the Award and how the funds were used and we look forward to seeing them both again then.

Events - June to August

As sponsors of so many clubs we are very involved in our local community and under normal circumstances we have the honour of being invited to many events. Glen Waverley Cricket Club invited us to the official opening of the new Brentwood Reserve Pavilion, we are proud sponsors of the club and are excited they get to use this new space once they return to playing very soon.

We were very grateful to be extended an invitation to Encore Theatre Company Inc. most recent play 'Vigil' directed by David Collins. The Community Group was part of our Pitch It program in 2019 and funds they earned were used towards a temporary stage, this being the first time it was used.

Many events returned to online platforms and we want to extend our thanks to those community groups and sporting clubs who generously invited us along to their AGM's including Glen Waverley Tennis Club who we have sponsored for many years. Paul Bowman, Club President was 'virtually' presented with the Tennis Victoria Service Award for his significant contribution to the sport of tennis through devoted and significant service. Congratulations Paul!
