Post Election Economic Update Luncheon

Our Post-Election Economic Update Luncheon with guest speaker David Robertson and Bendigo Bank host Brad Cornwell was held at Dromana Bay LSC on Friday 17 June.

David is Head of Economic & Market Research at Bendigo & Adelaide Bank and Brad is the Business Customer Regional Manager of Vic South.

The luncheon was well received by the local business men and women on the Peninsula and is just another avenue we have available to us to support our business customers.

Community Funding Awards Night

In May 2022, we were very fortunate to hold our Community Funding Awards Night at St Andrews Beach Brewery in Fingal. Due to the Covid-19 pandemic we were unable to hold these in person for the last 2 years so it was fantastic to see so many of our clubs and groups attend.

Thanks to the support of our Shareholders & customers, the evening saw a staggering \$119,000 in sponsorship donations as well as \$3,500 extra in staff/director donations awarded to various organisations across the Southern Peninsula

Support of our emergency services was high on our list with the Boneo Rural Fire Brigade awarded \$4,000 on the night to go towards building a turnout room for the firefighters, to change into their protective clothing safely.

Our Customer Relationship Officer Kathryn also chose this group to be the recipient of her \$500 staff donation award for the work they do in our Community.

Lending Hub Update

As a progressive collective of Community Branches - we are pleased to announce the formation of a Lending Hub at our Rosebud Location which will set us up for greater success.

Our new Lending Hub sees a high performing team of experienced lenders housed under the one roof which allows for a more structured environment to create better efficiencies and faster delivery of lending outcomes while ensuring a better customer end to end experience and focus

Spear headed by our Senior Manager Fiona Somjee and under the guidance of our new Team Leader Laura Nestoriwskyj, we are already seeing fantastic results in this space. Our Lending hub also houses our local Business Manager, Kristy McRae who is also available and at hand to service our local business customer needs.

\$25,000 Awarded to Southern Peninsula Community Support

We were so incredibly honored to have Jeremy Maxwell, CEO of Southern Peninsula Community Support as the Guest Speaker at our Community Funding Awards Night on 27 May 2022.

This amazing organisation was awarded \$25,000 to aid in their mission of providing food relief to the Southern Peninsula

"Every year we provide food to over 1300 people. Our local Community Bank Branches have been vital in making that happen, now and over many years. Their support ensures our different food programs provide the best possible food matched to our client's needs. We think the Community Bank Southern Peninsula's belief in giving back to our community is pretty special."

- Jeremy Maxwell , CEO Southern Peninsula Community Support

Our Community Banking Model

At Community Bank Southern Peninsula, we operate under the Community Bank Model of feeding into the prosperity of our local Community instead of off it.

It is only through the support of the committees, members and supporters of the organisations that we sponsor, that we are able to continue to support organisations like this in our community

Vinnies Kitchen Awarded \$6000

Another wonderful charitable organisation we were able to support at our Community Funding Awards Night was Vinnies Kitchen. We have a long standing relationship with this group and were able to get a quote from Lawrence Pascoe regarding the impact our community funding has -

"Vinnies Kitchen is a wholly non-funded organisation, run by volunteers. Your donation will go a long way in allowing us to offer assistance to the homeless, those who are living rough and families in need on the Mornington Peninsula. We are providing up to 8000 meals a year. This ensures the people who attend our kitchen receive a hot substantial meal, served 6 days a week.

Vinnies Kitchen and other like organisations are experiencing a marked increase in the demand for our services. Your past & continuing support will ensure our ability to meet the continual demand

- Lawrence Pascoe Hon.Secretary Vinnies Kitchen"

Escabags

Two of our staff members donated their \$500 Staff Contribution this financial year to an organisation called Escabags. Our friends at Community Support Southern Peninsula have also agreed to housing Escabags on behalf of Community Bank Southern Peninsula.

The Escabags Mission is to alleviate the immediate trauma of domestic abuse by providing free and effective access to 'Escape Bags' in communities, whilst connecting victims with resources and agencies to continue their journey towards survivorship.

At Community Bank Southern Peninsula we share in their vision to live in a world free from domestic and family abuse

During our Community Funding Awards Night we announced a renewed focus on supporting better education for kids on the Southern Peninsula.

We will be donating \$100,000 to supporting literacy improvement in Primary Schools in the Rosebud & Rye area, facilitated through the Mornington Peninsula Foundation. And this is just the first step of our approach towards improving education outcomes... because we know that improving education for our kids now is one of the best ways to create a thriving community into the future
