## Beumaris and Black Rock Communities – One year on

In the year since we transitioned Community Bank Beumaris customers to Community Bank Sandringham we are so proud to have truly become part of the Black Rock and Beumaris Communities.

To date we have already invested \$65,000 into Community organisations and groups as well as installing three Community Accessible Defibs throughout Beumaris.

We are proud partners of Neighbourhood Watch 3193, The Golf Charity Day, Friends of Black Rock House, and are once again sponsoring the Beumaris Car Show with Trophies and music on the day too.

We have provided Chairs to U3A, a TV for the Quiet Area at Bayside Men's Shed, Supported a Disabled Divers Program, and helped Team Sports 4 All support underprivileged kids participate in sports.

We are working with Black Rock Jets Football and Netball Club, Beumaris Cricket Club, as well as Beumaris Football Club. We are supplying a kitchen garden and sporting program to Kinders and are supporting the Beumaris Community Christmas Eve Carols.

We are proud to support the full Bayside Community as a Community Bank.

# Accessible Defibrillator Project Update

We are thrilled to announce the first seven locations for Community Accessible Defibs across Bayside! We are hoping for a few more in the coming months and our goal is to create enough locations throughout Bayside that there is always an accessible Defibrillator for any Bayside community member, wherever and whenever it is needed.

Stay tuned for more Defibs to be added!

# Supporting our community for 20 years

## Bayside Community Engagement Funding (BCEF)

In 2022, our 20th birthday year we were thrilled to commit over \$100,000 to organisations in our Bayside Community.

Many of these organisations have received money over our many years and we are always thrilled to be able to give more than 80% of our profits back to the Community.

We proudly opened a bank to grow a community, and as we continue into our third decade we could not be more committed to this intention.
