

COMMUNITY NEWS

JUNE 2020

Over 80% of profits returned to our community

Sandringham Community Bank has been supporting the community for over 15 years. Now more than ever we are here to help see you through Covid-19.

Talk to us about how we can help or consider opening a new account with us. Because when you decide to bank with Sandringham Community Bank, your decision does not just benefit you, it benefits your whole community.

New Branding!

You may have started to notice our new branding! We are very excited to have a refreshed Logo and colouring – you will already have seen it on our Facebook and website – and it will begin to appear through the clubs & groups we partner with, as well as at the branch. We hope you like it!

Partnerships 2020

We are checking in with all our local partners to see how they are going in this time. Many of the sporting clubs are simply on pause and are waiting to commence later in the year. Here are a few great updates from 3 of our Partners...

Sandringham & District Historical Society

was formed in February 1986 by a group of like-minded, local history enthusiasts from Sandringham and neighbouring suburbs. It has since grown to become a thriving and proactive organisation with a membership of around 100 and volunteer workforce of close to 50. In the past two years, it has adopted a more outward facing and contemporary profile by publishing its extensive collection of photographs, writings and artefacts online, opening an online shop offering both eBooks and hard copy publications, engaging with the local community through social media, creating opportunities for volunteers to work remotely and taking steps to capture contemporary history.

In March 2020, SDHS launched History in the Making, Creating a Covid 19 Community Archive. The project aims to collect material documenting the impact of Covid-19 on our community and is supported by partnership funds from Sandringham Community Bank. We will create and publish a historical archive for access by current and future generations. Readers, especially those groups who are also part of the Partnership Program, are encouraged to donate photos, newsletters, bulletins or articles to collections@sandringhamhistorical.org.au

More information is available on our website www.sandringhamhistorical.org.au or our Facebook Page @Sandringham-District-Historical-Society-Inc

The Sandringham Primary School Community

has had a tough start to the year - The school fire, transferring to East Sandy Primary & Sandringham Secondary classrooms,

and now remote learning for Term 2 it has been a huge challenge for the children, families and staff. We were thrilled to hear that our ongoing Kitchen Garden project has been thriving throughout all the transitions so that the garden education can continue.

At the Bamfield St Kitchen Garden and Community Orchard there has been harvesting of tomatoes, zucchinis, chillies, passionfruit and olives and production of jams, relishes, oils and

olives (see the images of the 40 jars including Cherry tomato relish, Passionfruit jam, Zucchini relish and Preserved olives!)

The Kitchen Garden Program will also continue at the new Bluff Rd school site with the planting out of garden beds outside classrooms, incorporating herbs/flowers etc to both beautify and integrate into the everyday community, planting the winter vegetables and herbs so it will be humming along by the time the students return to school.

Sandybeach buses out & about!

They haven't been able to get as much use as usual but the Sandybeach buses look fantastic and are planning lots of outings as we come out of restrictions.
