Community Bank · Sandringham

As we welcome to longer days and (slightly) warmer weather we are still faced with a community at home. We hope you are all well and managing ok. Our branch remains open and the branch team have been amazing at helping those who need support through this time both in the branch and via phone, email and Zoom calls. We have seen some great success with home loans and other banking services – even whilst it has been a difficult time for the real estate industry.

We encourage you to spread the word of our great new home loan offer of 1.99% fixed for 2 years. Remembering that 80% of our profits go back into our community. As you read on you can see some of the great impacts that money can make.

Our team have also recently received their new uniforms and they all look fantastic! You may have seen in the news that a great campaign occurred where the old uniforms were recycled. In a first of its kind initiative for a big bank, Bendigo Bank partnered with Melbourne-based multi-award-winning recyclers Upparel to embark on a major end-to-end nationwide uniform recycling program to turn mountains of old clothing from up to 470 Australia-wide branches into soft filling that will be re-used and re-purposed.

Making great things happen

When you bank with us, profits pour into the community and we see great local impact. We return over 80% of our profits to local clubs, schools, community groups and initiatives. In total we have invested over \$2.2 million back into our local community and we are still going. During 2020/21 we supported community groups with partnerships and sponsorships through our Community Engagement Fund. Check out who was on the list:

Supporting our youth and their mental health

Community Bank Sandringham collaborated with other Bayside Bendigo Bank branches to support Connect Health's Boss Brain Project. This fantastic initiative focuses on training students at local schools in Youth Mental Health First Aid Training. Well done to all involved! We are super excited to see this project roll out and support young people in our local communities. This vital project is delivered in partnership with Headspace Elsternwick/Bentleigh Branch, Bayside City Council Youth Services, Glen Eira Council and BGKLLN and funded by Bendigo Bank Sandringham, Highett, Murrumbeena, Elwood, Caulfield Park, Parkdale, Beaumaris and Aspendale Gardens.

Three years on...

Sandringham Community Bank Day Procedure Centre

It's been three years since we proudly opened the Sandringham Community Bank Day Procedure Centre. Since then there has been over 7,000 patients. What a wonderful addition to our community.

When you bank local, good things happen, and this is one of the best we can think of!

Take your marks!

Get ready.. Sandringham Little Athletics is commencing - the Victorian roadmap out of lockdown is scheduling Little Athletics to begin on 5 November.

Community Bank Sandringham have partnered with Sandy Little Aths for over 12 years and over \$30,000 has been used to enhance training programs, update uniforms, buy an AWD Buggy, and support the community.

With their new track facilities being ready from December it's sure to be a great season for Athletics... perhaps there are some aspiring Olympians amongst our community?

Sandy Little Aths caters for children aged 5-15 of all abilities. Activities start with the younger children learning the foundational physical literacy skills in a fun environment and the other age groups focus on skill development to teach and help each athlete perform their very best. Our under 13-16 athletes are a squad participating in fun fitness drills, purposeful activities/circuits and selecting the little aths events they would like to part take in.
