

Sponsorship Feedback Form

Every year the *Community Bank Trafalgar & District* receives a large number of applications for sponsorship support, totalling many thousands of dollars. This very high demand for sponsorship funding necessitates an increasingly selective approach to the application of Community Banking Sponsorship budgets.

In keeping with the general sponsorship expectations of the wider community, and the expectations of our shareholders, *Community Bank Trafalgar & District* sponsorship commitment is both an opportunity to add value to the community and an investment in recognition opportunities that will advance the long-term interests of the Company and the community group receiving the sponsorship.

Therefore, the commitment of *Community Bank Trafalgar & District* funds to sponsorship projects relates to the understanding that sponsorship will bring mutual benefits to the Company and for the beneficiary.

Under the terms of our Sponsorship Application Form, *Community Bank Trafalgar & District* requires beneficiaries of our sponsorship program to outline appropriate elements of recognition in return for our sponsorship support. The applicant also commits to ensuring the recognition elements are achieved and that a *Community Bank Trafalgar & District* Sponsorship Feedback Form is completed and returned.

By completing and returning this Feedback Form at the completion of the sponsorship, you'll be providing valuable feedback on the sponsorship, satisfying *Community Bank Trafalgar & District* audit requirements and increasing your organisation's chances of receiving possible future funding from the *Community Bank Trafalgar & District*.
