Business in focus – Nest Café

When did you open? June 2009.

What do you do? Nest is a gathering place for locals to eat, have coffee, share stories, read, ponder, be inspired or amused and hopefully leave feeling uplifted. As a licensed café we create dishes, bake our own cakes and treats that showcase local and seasonal fresh produce including wine and cider.

We sell a range of beautiful books, giftware and poetry unmatched in rural areas.

Our boutique armchair cinema is unique as we serve meals and drinks to customers while they are entertained by the films. We also offer an outdoor deck with lawns and the warmth of our open fireplace in winter.

We cater functions onsite, at the work place or private parties.

We host film and dinner nights, live music, produce and craft markets, art exhibitions and community/cultural groups.

Opening Hours

Monday to Thursday 9.00am – 4.00pm

Friday and Saturday 9.00am – 10.00pm-ish

Sunday – rest

And other times by appointment

What plans do you have for the business? To continue to provide delicious food featuring local produce that people love, and get excited about coming back and bringing friends to share the experience.

To build on our Nest values and high standards with our team of engaging, fun people who inspire and make guests want to be a part of Nest. This will be supported by promotion and advertising but mainly through word of mouth.

To grow in customer base and turnover while maintaining a personal connection with our customers.

To be amazing at what we do and how we do it through continuous improvement.

To expand our use of local, seasonal produce in the cafe with the development of our own gardens and outdoor spaces and continuing to invest in the produce and hand-made market we host.

To raise Tumarumba's profile across the country and internationally, attracting more tourists with events such as Film Festivals and through collaboration with other great businesses, producers and community enthusiasts. We would like Nest to be a reason that people discover our wonderful community.

What do you like to do in your spare time? I enjoy soaking up the mountain lifestyle, jogging in the forest, snowboarding, hanging out with my family and friends, watching films (I have to for my job!). Actually all of what we

do at Nest – coffee, eating out (brekky is the best!), reading, socialising.

What is your favourite day of the week? Saturday – the café is a buzz with communal coffee catchups and then Saturday night I look forward to my sleep in day off and fellowship on Sunday.

Favourite food / drink? Peanut butter, banana and honey on toast.

Favourite book/movie? Amelie – a French romantic comedy.

What do you enjoy most about the local community? How we can be part of it. Feels like nest is part of a big family and I love having real connections with people beyond polite conversation.
