300 communities with \$110 million reasons to celebrate

Bendigo Bank's 300th **Community Bank**® branch was opened in March.

Since the **Community Bank**® model was launched in 1998, more than \$110 million has been returned back to communities.

The **Community Bank**® model is the ultimate example of a win/win partnership – communities secure an income stream that empowers them to improve the places they live, while growing the Bendigo Bank network.

The success of the **Community Bank**® network is testament to the effort and dedication of the communities that operate and support them.

Ronald McDonald House

In September 2012, Tumbarumba **Community Bank**® Branch joined with eight other branches from south west NSW by putting together \$50,000 to financially support Ronald McDonald

House in Wagga Wagga for the next three years. Funds stay with the Wagga Wagga house and in turn directly assist in providing accomodation for families across the Riverina when their children are in hospital.

Happy Birthday Tumbarumba **Community Bank**® Branch

On 14 April we will celebrate our seventh birthday. Join us for coffee and cake at 10.30am in the branch.
