

Redcliff Church of Christ Campsite.

This venue is used by many local groups, organisations and families during the year. Our **Community Bank®** branch is delighted to once again partner with Redcliffs Camp in upgrading the kitchen facilities, by providing funding towards new stoves.

“On behalf of the Redcliff Church of Christ Campsite, I would like to pass our thanks to the Tumby Bay District **Community Bank®** Branch, for the generous grant given to us for the purchase of new appliances for our campsite. The appliances have been purchased, and will be fitted at the campsite as soon as possible. I’m sure our camp cooks will be as grateful as we are! Thank you again,” said Kathy Brand.

Business Breakfasts.

We are not just about banking, we are also about bringing communities together!

Recently we held a Business Breakfast for business owners in Port Neill, an opportunity to get together on an informal basis and meet some of our team, Board Chair Julie Elliott, Branch Manager Judy Arbery and Business Banker John Robins. Double J Takeaway supplied a very tasty breakfast.

Following last year’s success, we yet again held a Tumby Bay Community Business Breakfast, as a follow up on what has happened in the past year and the town’s ideas moving forward another 12 months. The SeaBreeze Hotel did an amazing job catering. We were pleased to invite members of the local community and council to speak about projects that have been completed, in process or in the beginning of creation. Stay tuned for more details.

In September we will be holding an informal **Agri-Business Breakfast** in Ungarra for our local primary producers. Our Rural Bank Agri-business Manager Chris Miller and new Rural Bank employee Richard Murphy will be attending.

Exciting things are happening in our town and district and we are so proud to be able to play a part of it, simply by you banking with us!

EP Partners In Grain.

Employee profile – Hannah Lienert.

Tell us about yourself and your family. I am a farmer's wife, and a young mother of two sons, five year-old Hudson, and two year-old Austin. I have come from working in service administration, prior to which I was working in banking for four years. I am currently undertaking an external graduate degree in Accounting, which I am thoroughly enjoying amidst the difficulties that external study sometimes brings. I am a very active part in my local communities and am a member and executive member of a number of different groups in both Arno Bay and Port Neill.

What are three things that most people don't know about you?

I love fitness, and I try to be active every day either before or after work.

I am a bit of a bookworm and love learning new things. If I find the time, you will find me reading anything from a health and wellbeing book, to a war history novel.

I really enjoy baking and treasure my CWA cookbook. Cake making is a passion of mine and I love making special event cakes for my family and friends. I even made my own wedding cake with the help of one of my bridesmaids.

If you could be anyone from any time period who would it be and why?

I don't think I would wish to be anyone else, however if I was to go back in time to be able to meet a person of influence, I would choose either Ann Frank or Corrie Ten Boom.

Where is your favourite place to eat? I love any where with fresh, local produce, 1802 in Coffins Bay is definitely a place I would recommend.

What is your role at the branch? I am a newly employed Customer Relationship Officer, and my role will be to assist customers in ensuring that their banking needs are met according to each of their personal needs. I am really looking forward to meeting more members of the Tumby Bay and districts community, as I love meeting new people. Come say "hello" if you ever feel like a chat, it's my speciality!

Annual General Meeting.

The 2017 Annual General Meeting (AGM) will be held 7.30am, Thursday 9 November 2017 at the Tumby Bay Hotel.

The AGM is open to all shareholders, and interested community members are welcome to attend. Please RSVP to the branch to assist with breakfast catering.
