## Partnering to grow a stronger community

Welcome to this Spring edition of our newsletter, pour yourself a coffee, sit back and enjoy the update.

The core reason to have a Community Bank is to return local money back into local projects. With the severe curtailing of large events such as the field days, speed shear, and sporting events this year, it has been more difficult to return money into the community. However, some partnering with local groups has occurred and I have highlighted a couple of these below.

We have been able to assist a local bureau groups Kangaroo Island trip and to help a group of young adult's progress towards achieving their true potential.

Twenty-seven farmers from Roberts-Verran Ag Bureau travelled to Kangaroo Island to lend a hand to farmers whose properties where burnt, a great help to the island's farmers, and some away time for local drought affected farmers. Your local Community Bank sponsored the Youth Opportunities Program at the Tumby Bay Area School and I was privileged to attend the Graduation Award Evening; it was great to see the development by those young people that had attended the course. Particularly touching to hear their stories of self-development and the positive outcomes that where achieved.

These projects are possible thanks to the customers of Community Bank Tumby Bay District and Cleve. We prefer to give a hand up rather than a handout.

Applications for sponsorships are reviewed quarterly. The due date for the next round of sponsorships is 31 December 2020.

## Security

We're committed to working with you to ensure the money you spend or keep in an account is safe and secure.

Whether it's in a branch, over the phone or online you can rest assured that we're looking out for you. We're proactive about security through our detection and investigation services and we encourage you to do the same.

Take time to learn how to protect yourself, by looking at the information we've created on security and financial crimes.

To read how to protect yourself from scams go to our website or visit a branch:

## Rural Bank Knowledge and Insights

We have a publication to suit you.

The Rural Bank Insights team provides research and analysis to support you in making good business decisions on the farm.

Find helpful information in our Australian farmland values, Insights, or Agricultural outlooks. Choose your particular field (sheep, cattle, cropping, trade, wool, dairy or horticulture) or subscribe to receive Rural Bank Insights direct to your email by clicking on the link below:

The Annual Farmland Value report is available online – the report provides values for the state and local council areas.

Please call the branch on 8688 2046 if you would like to meet with Chris Miller to chat about your agribusiness banking.

## A change to student banking

Bendigo Bank has a long track record of working with school communities through a range of community building initiatives.

We take our role in supporting financial and community wellbeing seriously and we always consider the best interests of all stakeholders in any decisions we make.

After careful consideration, we have decided to withdraw from offering school banking programs nationally. This includes the school-based banking program at Tumby Bay Area School, Ungarra Primary School and Cleve Area School.

While we may not be offering a formal school banking program anymore, your child can continue to bank with our local branch. There are no changes to your child's Bendigo Bank accounts, and we would be delighted to welcome you and your child to the branch or agency at any time to deposit their savings.

Of course, we will continue to focus our effort on supporting schools and their communities in ways that help them prosper.

For your school, and our local community, this includes our continued support for school-based programs, sponsoring school events and fundraising.

# Meet our local Business Banking Relationship Managers

## Small Business Relationship Manager

My name is Tiffany Franklin and I have been with Bendigo Bank for six years. I previously worked as an accountant and have really enjoyed being able to help businesses to grow and be supported. I have lived in Port Lincoln since I was born and have two energetic boys with my husband Kris, we are also lucky

enough to be foster parents to a beautiful little girl. Kris runs his own business as a tiler and we love to spend our spare time camping or enjoying long days at the beach with family and friends.

## Business Banking Manager

My name is Darren Goodwin and I have been with Bendigo Bank for almost two-and-a-half years. I am passionate about helping businesses achieve their goals. I have lived on Eyre Peninsula for several years and really enjoy Port Lincoln. Another passion of mine is working as retained fire fighter with the South Australian

Metropolitan Fire Service which I was able to transfer to the Port Lincoln unit from Whyalla where I was based from 2012.
