Banking is our Business, Community is our Purpose

The Wantirna Community bank came into existence in September 2006 when the major bank in the Wantirna Mall ceased operations. Owned by the residents of Wantirna and backed by Bendigo Bank (Australia's 5th largest retail bank), it is managed by a group of local voluntary directors.

Mandated to plough back up to 80% of our profits into local communities, we have contributed over \$227,500 to local kindergartens, schools, sporting clubs, community-based organisations and not for profit business via our sponsorship program. When you bank with Wantirna Community Bank Branch great things happen.

We receive many requests each year and look to ensure we share our community investment across many clubs/groups and organisations

Sponsorships are made possible by our customers bringing their banking to us. We encourage you, the committee/club members/family members to make an appointment with our branch team to see how we could help serve you with your banking.

Overleaf we have outlined the Wantirna Community Bank branch sponsorship packages available and the requirements you need to meet.

If you would like to explore further, kindly contact Silvia or John on 9720 4122 or drop into our branch at the Wantirna Mall, Shops 5-6, 348 Mountain Highway, Wantirna.

We look forward to the opportunity to partner with your club, group or organisation in the near future.
