Hello Hastings!

Community Bank · Hastings

Celebrating 15 years and a refurbishment

We've had an exciting few months at Community Bank Hastings, celebrating both the refurbishment of our High Street branch and our 15th birthday in June. We were joined by guests from Mornington Peninsula Shire Council, Hastings Rotary and Crib Point Community House (pictured below) to re-open our refreshed branch. RPP FM joined us to broadcast the Scrambled Eggs breakfast show with fun and giveaways.

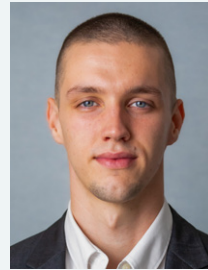

Our new signage looks great with Bendigo Bank's new branding and while we still have some internal design elements to finalise, it's an exciting and fresh new look we are sure you will enjoy.

Our investment in the fit-out, plus the renewal of our Bendigo Bank franchise agreement and lease, confirms our commitment to maintain our physical banking presence in Hastings, and to provide the community with the bank's award-winning products and services.

Community Bank branches return the profits they make to the people and communities that generate them. So when you choose us your banking becomes part of something much bigger and much better.

Meet Colin our home lending specialist

We'd like to introduce you to our new home lending specialist, Colin Fogelman.

Colin has recently joined our team and will serve local people as a mobile lender who can meet them when and where it suits.

We asked Colin what he's most looking forward to.

"As a property lending specialist, helping people achieve their dream of owning property energises me. I am here to support you throughout this journey every step of the way," he said.

"My top priority is to provide exceptional service and tailored financial solutions with the goal of exceeding your expectations. With extensive experience in property lending at Bendigo Bank, I have the expertise required to handle your financial matters, big or small. Let me help you secure the right home loan to make your dream property a reality."

Make your appointment with Colin on 0422 799 838.

We are proud to support to Hastings–Western Port Historical Society.

Our latest contributions

In July we joined the Hastings–Western Port Historical Society to celebrate their 50th anniversary and to give \$10,000 of funding support to them to continue their activities. Our Chair, Vic Rodwell spoke about 15 years of community banking in Hastings, and presented a cheque to the members.

We've also recently extended funding to Crib Point and Hastings community houses to help them support local people. With the cost of living and inflation rising, many people face challenges. Our contributions will assist the community houses to provide their programs.

Both houses offer advice and assistance, community participation opportunities, learning, referrals or just a friendly chat. They are the heart of our communities.
