

# Make great things happen in Mildura.

Our aim is simple... to build a better community.

The Connected Communities program is underpinned by a desire to help communities generate long-term prosperity.

Through this program, Bendigo Bank helps the Mildura Connected Community to engage with residents, other businesses, community groups, sporting teams, the old and young, to achieve a common objective or outcome.

Simply by banking with Bendigo Bank you can help to generate money for the Mildura community. If you choose to link your eligible Bendigo Bank account to the Mildura Connected Community, Bendigo Bank will pay us a commission. Any commissions we receive are invested back into the Mildura community to benefit local projects.

Getting involved is easy.

Visit your local Bendigo Bank branch and talk to the branch staff about your banking needs or to find out more about the Connected Communities program.

Spread the message to your family, friends and neighbours today so that we can support the ongoing prosperity of our community together.
