

Bendigo Bank Corio branch is closing.

As a Bendigo Bank customer, you have a choice in how you want to bank – be it online, via app, over the phone or in-branch. Many of our customers are choosing to bank online or with our app, which means we're seeing fewer and fewer people requiring our branch services.

As a result, we've made the difficult decision to close our Bendigo Bank Corio branch at Bacchus Marsh Rd on Wednesday 30 September 2026.

We recognise this closure might bring about changes to the way you bank with us, and we're here to support you in every way we can. We will be actively engaging with affected customers and key local stakeholders where required and respond to queries and concerns about the closure through written and verbal notifications.

Why we made this decision

The decision to close a branch is not something we take lightly, as we know how important banking and financial services are to Australian communities. After all options were considered, the main reasons for this closure were:

- With more people choosing to bank online, fewer customers are visiting branches to do their banking
- When customers do visit a branch, it is much less often – approximately 31% of our customers in Bendigo Bank Corio branch only visited this branch once in the last year.
- More than 22% of these customers have chosen other locations to conduct their banking.
